P and C Executive team Update
The P and C annual general meeting has seen a set of new faces in the executive and committee roles. The previous executive were acknowledged for their hard work and commitment and I would like to personally recognize the hard work of the 2015 Executive including Kyla Bailey, Sarah Hart and Ian Ruthenberg. The team had a great year last year and oversaw many initiatives that had positive outcomes for the school. These volunteer roles rarely get the recognition they deserve, so our thanks goes out to each for the time and commitment they have given to school.

The AGM allowed us to also recognise Susan Sansbury and Anne Crozier for their long term commitment to the school, particularly through their efforts with the tuckshop. We also paid tribute to Jane Hallam who provided significant financial expertise for the P and C to ensure that we were complying to good financial standards of operations.

Thanks and recognition to Chapel Hill State School P and C stalwarts: Anne Crozier, Kyla Bailey, Susan Sansbury and Jane Hallam.

We now have a new P and C team for 2016 and we have all Executive positions filled. The 2016 P and C Executive includes Ken Allen (president), Jade McCleave (co-vice president), Jodi Stephens (co-vice president), Jess Hamilton (secretary), Leah Woodward and Nancy Eluigwe (co treasurers). Please feel free to attend the next P and C meeting on March 8 at 7:30pm.

Curriculum Maps Prep to Year 6 on our Website
Some of the 2015 feedback from parents was the need for more information around the curriculum for each year level. The school has responded to this feedback by providing comprehensive outlining of Semester 1 curriculum for each year level. Parents can log onto our website and review the content of all subjects taught at the school and note the assessment that is planned. Classroom teachers will make occasional fine tuning within their classrooms but these documents provide a great guide to the work that is being covered. The greater the parents, students and school are connected the greater the learning. I encourage parents to review these documents and discuss the content with their children.

Parent Cars Accessing Staff Car Parking and Pick-Up
The school has grown considerably over the past few years and this has resulted in more traffic before and after school. Despite the increased numbers, the turning circle is still a viable option for the pick-up and drop-off of students. I am concerned about the increased parent traffic using the driveway between The Hall and Administration Building. This parking space is not designed for pick-up and drop-off and therefore is an issue of safety. This additional traffic generates a risk for those students crossing the paths to and from the Hall and the Instrumental Music Room. I respectfully ask parents to use the turning circle if needing to drop-off or pick up students. (We are considering a number of options to address parking and access but our first position is to ensure safety of our students.)

Late Arrival and Early Pick Up of Students
The Department of Education has set standard operations to follow regarding early departure and late arrival of students. These new standards are designed to improve student safety.

Late Arrivals (after 8:45am)
If a student is arriving to school late (after 8:45am) then they are to go to the office and there they will receive a late note. The student then will go to class and present the late note to their class teacher.

Early Departure (before 3:00pm)
If a parent or carer needs to pick-up a student before the end of the school day (e.g. dentist appointment) then they must go directly to the office. The office will coordinate the student release and organise the student to be sent to the office.

This process will minimise classroom disruptions and ensure that the school is complying with our expected requirements. We would appreciate parent support and understanding as we implement this new policy.

This means:

- To keep trying – no matter how hard the task is; never stop working for your goals; don’t give up easily. Having a ‘never give up’ attitude can determine whether we will succeed or fail.

INCLUDE OTHERS
This means:
• Let everyone have a turn
• If you see someone who looks lonely, ask them to join your game
• Follow the rules of a game

PICK UP RUBBISH
This means:

• Put all your lunch rubbish into the bin and leave your Eating Area clean and tidy.

IGNITE

Computational and Algorithmic Thinking Competition (C.A.T.)
Twenty of our Year 5 and 6 IGNITE Maths students are now registered to take part in this year’s C.A.T. Competition on Tuesday 22nd March. All entrants will receive the code which will allow them to access GetSet CAT, the online training program, this week. Please email me if your child does not bring home this information by the end of the week.

Pi Day Memory Challenge
Each year we celebrate International Pi Day (14th March) by inviting students to attempt to memorise as many digits of pi as they can. The contest is open to all students in Years 3 to 6, and sheets with the first 100 or so digits of pi are available from the office or from me.

We will hold the competition in the week preceding Pi Day, on Wednesday 9th March in the Arts Building at 11:15am. Students who would just like to watch are most welcome to come along and support their friends.

Visit by Dr YoniNazarathy
Yesterday our Year 6 Maths group had a guest lecture delivered by Dr YoniNazarathy, who is a lecturer in the UQ School of Applied Mathematics and Statistics. Dr Nazarathy comes to us through the CSIRO Mathematicians and Scientists in Schools Program, and has been supporting the IGNITE program for several years now.

He presents high level maths topics in an entertaining and engaging way, which the students really enjoy. We look forward to further visits from him as the year progresses.

FROM THE MUSIC ROOM

CHOIR NEWS

Both Choirs are now into their 3rd week of rehearsals. If your child has not come along yet but they would like to, they are more than welcome to join us!
Junior Choir
Junior Choir is on WEDNESDAY LUNCHTIMES at 11:15am in the Music Room. Junior Choir is for children in Years 3 and 4.

Senior Choir
Senior Choir is for children in Years 5 and 6, and will be on THURSDAY mornings at 8:00am in the Music Room.

All choir members will need a display folder (or similar) to keep their sheet music in. Please send this along with your child. Folders can be stored in the Music Room between rehearsals. Alternately, children may take home the folders after each rehearsal, but they must remember to bring them back the following week.

RECORDER

If your child is in Year 5 or 6 they are required to have a recorder for Music lessons each week. If your child does not yet have one, it would be appreciated if you could organise one for them as soon as possible.

FROM THE LIBRARY

Brian Falkner, an Australian author who visited Chapel Hill in 2014 is holding a writing camp during the Easter holidays at St Peter's College in Indooroopilly.

Budding authors and keen writers aged 10-14 can apply for a place in the program that will run from 28 March until the 1 April.

This program has been run in the United States, New Zealand as well as across Australia. Students who attended his workshop here at Chapel Hill were very excited and motivated by just the hour they spent writing with Brian.

Please visit the website for further details, application form and costs:

BOOK CLUB

Issue 2 of book club will be coming home this week. Sales from book club assist the library enormously as well as providing books for children at less than recommended retail prices.

Orders may be placed using credit card or cheque (payable Scholastic Australia). NO CASH PLEASE.

Chapel Hill is now a 'loop' school. This means you can order and pay on line and there is no need to return order forms to school.

If you prefer to pay by cheque – fill in the order form as usual and return to school by the due date.

Please place orders online by 3pm Friday 11 March.
OR
Place orders with cheque payment in the orange box in the library.

CHAPLAINS CHAT

Hi Everyone,

I have very much enjoyed meeting all of our new class captains over these past weeks. This group (from grade 3 upwards) along with the school captains, make up the student council each year. The students meet and represent their class groups. They work together as a team, to make decisions, or to give us suggestions about how to make our school a better place. The student council then work to make any events which are planned, possible. The student council will be running a FUNKY HAIR DAY next week. Here are the details;

FUNKY HAIR DAY
FRIDAY 11TH March
TO SUPPORT THE LEUKAEMIA FOUNDATION (and particularly to help children with cancer), PLEASE WEAR YOUR HAIR ANY FUNKY, CRAZY, WACKY WAY THAT YOU WOULD LIKE. GOLD COIN DONATION.

(This is not a free dress day. Please wear your normal school uniform and bring your hats. For those with interschool sport, a funky wig is always a good option, in case you want to take it off.

Best wishes for a good week.

### Mathletics - Points and Certificates

As students work through assigned Curriculum Activities, and participate in Live Mathletics, they will earn points towards weekly certificates.

It is important to remember that Curriculum Activities earn more points than Live Mathletics participation.

The aim is to earn 1000 points per week to receive 1 Bronze Certificate.

5 Bronze Certificates will earn students 1 Silver Certificate.

When students receive 4 Silver Certificates they reach Gold Medal status and will be presented with a gold medal and certificate on assembly.

Classroom teachers are responsible for monitoring student progress; however, students are able to view or print their achievements at any time by entering ‘MyAwards’. Any Silver and Gold achievements will be presented weekly on assembly.

Below is a summary table indicating when and how students achieve points.

**NOTE:** Gold Medallions are engraved with the student’s name and posted from the Sydney head office of Mathletics. This process may take a few weeks because the number of world-wide student participants is growing each year. When the medallions arrive, parents will be contacted by email and invited to watch the Gold Medallion presentations on assembly.

SCHOOL INFORMATION

**A reminder to parents/carers to notify the School about your child's health**

*Please Note:* Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a "Request to Administer Medication Form". Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

**Picking up during School Hours**

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

Picking Up and Dropping Off Students
It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

**Turning Circle**

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

Sheena Abraham
WELCOME

Hi and welcome to the CHSS P&C for 2016!

On behalf of the P&C Executive, I wanted to take the opportunity to say with a fresh Committee Executive on board, you may see a few changes from time to time. The Executive are working on a number of solutions that will help with a more efficient flow of information from the Subcommittees to the association members.

These changes will not only include how the meeting agenda and minutes look, but also how meetings and subcommittees are facilitated, and how decisions are made. Some of the planned changes include:

• Emailing the Reports prior to the meeting so we can talk about the stuff that really matters, rather than get bogged down into the detail, and

• More power to the Subcommittees to make recommendations to the P&C so decisions can be made earlier and change happen sooner

• Having our Meeting Agendas and Minutes available on the P&C website, so we can share more broadly our successes

Don't forget there are many opportunities to assist the P&C throughout the year, so if you have any spare capacity, please join one of our Subcommittees. There are opportunities in the ‘Buildings & Grounds Subcommittee’, the role of ‘Tennis Court Liaison’, and others.

Also, the strength of the P&C is dictated by it’s membership. Please spread the word and encourage your fellow parents, carers and neighbours to join and see what skills they can offer and what difference they can make. Check out the Facebook page and website (www.chsspandc.org.au) for more information.

While we are passionate about our roles in the P&C and excited about these changes, we are new to our roles, and your understanding as we get our feet under our respective desks is hugely appreciated.

Thank you, and I look forward to seeing you at our next meeting on the Tuesday 8th March, 2016, 7:30pm in the Arts Building. If you have any questions prior to this, please don't hesitate to email: pandcpredident@chapelhill.eq.edu.au
