FROM THE PRINCIPAL

Welcome
2015 was a very busy year and finished with a farewell graduation ceremony to our Year 6 students and also included a wonderful transition program for our incoming 2016 Prep students. This week we are very proud to be inducting our new 2016 student leaders and I am sure that we will continue to see them grow into their new roles. Our end of semester two academic reports and the overall data was very impressive but we also had an increase in overall attendance with the highest attendance record in our database (nearly 96% overall with many students achieving 100% attendance in either Semester one or two). 2015 has been a great platform as we work to make further progress in 2016.

2016: Ready, Set, Go!
We have started this year with 701 students - plus one slightly too friendly tree snake found near the bag racks of Year 4 block!
I agreed with teachers, that the tree snake was definitely out-of-catchment and it has now been relocated. The staff have worked hard over the holidays and this last week to ensure that all is right and ready for Term

On behalf of the school, I would like to thank parents for their hard work and preparation to ensure students were ready physically and emotionally for their first day. The right school shoes and the new uniforms creates a great sight and a clear message that we are ready to get started.

New Families and New Staff
We have many new families that are finding their way in and a great way to fit in is to join the groups that contribute to the school. The tuckshop is keen to keep building their network of volunteers and our tuckshop conveners would be more than happy to receive a call if you are interested (contact our tuckshop conveners - Sheena chapelhilltuckshop@gmail.com). The first Parents and Citizens meeting will be held on Tuesday 23 February (more info in this newsletter) and all are welcome to attend.

We also have a number of new teaching staff starting this year that have quickly shown their enthusiasm
and love for teaching and learning. They include:

Prep B: Kym Thomas  
Prep D: Sarah Hurley (not a new teacher but a new name! Sarah Nee Crawford)  
Prep E: Claire Campbell  
Year 1D: Kaitlyn Woods  
Year 2A: Belinda Tozer (sharing part-time with Kim Aylward)  
Year 2B: Laura Macfarlane  
Year 2C: Bianca Ellery  
Year 2E: Nicky Duce  
Year 3A: Alysse Martin  
Year 3C: Helen Keen  
Year 4B: Beau Bignell

Update on the Facilities Work
We now have our new Year 5 classrooms ready and operational (the air conditioners are being installed later this week – thanks to our P and C). The new building looks great next to our new turf and new amphitheatre. The undercroft of the Ross Perry Resource Building has been enclosed and we hope to have this new specialist classroom area ready for early Term 2. Our new playground in ‘Fairyland’ will also be completed for the start of Term 2. These projects represents over $600,000 spent since the Christmas break and it is making a real difference to operation and appearance of our school.

FROM THE DEPUTY

BE RESPONSIBLE  
This means: Be in the right place at the right time. Prepare for the day - before class starts get pencils, eraser and ruler ready to start work. Have a drink of water and go to the toilet before class starts.

THINK OF OTHERS  
This means: Respect your peers and teachers. Respect others right to learn.

WALK ON THE FOOTPATHS  
This means: Always using the pathways as you walk around the school grounds – and NOT taking short-cuts through the gardens.

Welcome  
Welcome back to our returning students, parents and staff, and a very special welcome to those who are joining our Chapel Hill Community for the first time.

Our School Year certainly got off to an exciting start with friends reconnecting and sharing tales of holidays – and nowhere was the energy more electric than in the Prep Precinct with students arriving on the first day of School. It was a time filled with many emotions, not just for the children, but for their parents, too. Our “Tears and Tissues” morning tea following a good-bye hug and a quick kiss on the cheek and helped settle first day anxieties for mums and dads.

Parent-Teacher Information Sessions
These are a regular event at the commencement of each school year, and provide an opportunity for you to get to know teachers as they share routines of the class, expectations of students, aspects of the learning program, assessment and report procedures, and guidance and suggestions about things that you can do to support your child at home.

**Week 2 - Thursday 4/2/16**
- Prep: 4:00pm - 5:00pm School Hall
- Year 1: 4:00pm - 5:00pm Arts Building
- Year 2: 5:15pm - 6:15pm Arts Building

**Week 3 - Thursday 11/2/16**
- Year 3: 4:00pm - 5:00pm Arts Building
- Year 4: 4:00pm - 5:00pm School Hall
- Year 5: 5:15pm - 6:15pm Year 5A-5B Classroom
- Year 6: 5:15pm - 6:15pm Arts Building

A key factor in a student's success at School is the partnership and open communication between the home and teachers. I urge you to set aside time for this important event in the School Year.

### IGNITE

**Term 1 Units and IGNITE Selection**

The IGNITE Program caters for the needs of our middle and upper primary students who display significantly above average achievement, and a keen interest, in certain subject areas.

Two units are offered each term. In Term 1, our Maths unit will be focusing on problem solving, to prepare students for the three-week Maths Challenge and the Computational and Algorithmic Thinking Competition. The Science unit will deal with aspects of Climate Science.

The process involved in being selected for the IGNITE Program is as follows:

Students in Years 3 and 4 are chosen by staff members, based on classroom achievement and interest in the subject area, as well as general behaviour, and whether the child can be relied upon to catch up on any work missed in their regular classroom while they attend IGNITE. Selection letters are then sent home, which must be signed and returned to the class teacher before units commence. This term, Year 3 units begin on Wednesday 3rd February, and Year 4 units begin on Thursday 4th February. Please ensure selection letters have been returned by these dates.

Students in Years 5 and 6 have to apply for the IGNITE units they wish to take. As applications often exceed places available, staff use achievement, interest, behaviour and reliability criteria to make the final selection.

Our Year 5 and 6 classes commenced yesterday. IGNITE units run for 6 weeks this term, concluding on Thursday 10th March i.e. at the end of Week 7.

### CHAPLAIN'S CHAT

Hi Everyone,

Welcome to a new school year and particularly to all our prep students and their families starting at Chapel Hill. It is lovely to catch up with our older students too, and to hear all their holiday stories.

A new school year means a fresh start for our students. Parenting expert Michael Grose suggests seven strategies to help start the year successfully.

These include establishing regular work and study habits, ensuring enough sleep by having a set bedtime and a wind down time each night, and insisting that your child does some exercise each day. Exercise has been shown to release valuable chemicals that are needed for learning and wellbeing. Helping students to be organised and letting them develop self-help skills such as making lunches and packing school bags, can be great lessons that impact how they perform at school.
Finally, Michael puts a focus on being friendly. Schools are very social places requiring children to negotiate many different social situations. Whilst we often focus on academic success, there are strong links between social success, and academic success and wellbeing. He suggests actively encouraging your children to be open and tolerant and friendly, and if possible, involved in a wide range of activities.

Please see below for the full article.

Best wishes for a good week

SCHOOL NOTICES

Speed Limits and Play Equipment

It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.

Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school.

School Information

A reminder to parents/carers to notify the School about your child's health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a 'Request to Administer Medication Form'. Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to
support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

**Child Absent From School**
Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

**Late Arrival to School**
Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

**Picking up during School Hours**
If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is then to be collected from the Office (NOT the Turning Circle) and MUST BE SIGNED OUT.

**IMPORTANT PARKING INFORMATION**

**Parking in Tinbeerwah**
If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

**Picking Up and Dropping Off Students**
It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

**Turning Circle**
A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

**Chess Club**
Chapel Hill State School offers Chess as an extra-curricular activity with expert coaching for students provided by the Gardiner Chess Centre. This year we will be continuing to cater for up to 60 students across four groups.
