FROM THE PRINCIPAL

Lion Taming Strategy – A Great Metaphor

I was recently reading about Clyde Beatty, a famous lion trainer and was thinking about this information as both a principal and parent. The part that I thought was interesting was the strategy that sat behind the use of the chair (pun intended -sorry!). The chair itself seems to be a simple and ineffective shield but apparently the four legs each represent a different area of focus for the lion. These multiple areas of focus make sure that the lion is unable to shift his concentration to more risky options such as eating the lion tamer.

I like the analogy of being kept so busy that there is no option for poor choices and I see the lion tamers chair as a metaphor for students of all ages. I’m not endorsing a whip and poking a chair to manage students but rather I can see that students that are kept busy with interests in multiple areas seem to be too busy to be bothered making silly or poor choices. Students engaged in additional activities such as routine household chores, football, swimming, Instrumental music, ballet, gym, guitar lessons, hip-hop, IT clubs etc. are frequently doing well in school and also seem to be capable at self-managing their behaviour. Perhaps it is not just about being kept busy as I’m sure they are also learning the importance of perseverance, resilience and teamwork.

The CHSS Parent and Citizens have endorsed the running of a set of Positive Parenting Programs (Triple P) starting next term and I am sure it will involve more evidenced based and sophisticated strategies than the one that I outlined above (details in Dates to Remember Calendar).

Student Mobile Phones at CHSS

We have recently updated our policy around students bringing mobile phones to school and believe it aligns to our values of respect. The school understands that mobiles provide advantages that help families coordinate their busy lives and they also assist in supporting student safety. Unfortunately, these phones can also be a distraction during school as it also creates a temptation to use them for inappropriate reasons. This is why we are asking that all student mobile phones are handed in to the school office at the start of the school day and then picked up at 3:00pm. This will ensure that the devices are safe and secure and do not provide any opportunity for misuse at school.
Chapel Hill, Kenmore South, Fig Tree Pocket and Brookfield – Common approach to assessment.

Major moderation program between local schools took place after school on Monday 7th March. Teachers will be working in year levels to identify and share clear standards of expectations around student writing tasks. This is a process that will allow us to be closely aligned with allocating student grades as part of our end of semester reporting.

Sport Starting for Yr 5 and Yr 6

Students were very excited about the commencement of interschool sports. Teachers are putting students through their paces with multiple training sessions through the week. I saw a number of students returning from their first round of sport on Friday and it appeared that the wet weather could not dampen their enjoyment with students reporting a number of very positive results.

Student Raise Funds for Great Causes – Respect for Others

Students have been quick to support a number of important initiatives with a Funky Hair Day last week that has resulted in just under $700 being donated to the Leukaemia Foundation. Their next project is to raise enough money to fund a shelter kit ($1000) that can be used for those in need in Fiji. It is an important lesson for our students to see that they can have a positive impact on the lives of others.

Late News

Chapel Hill will have a new member of the Admin Leadership Team starting next term. Ms Rysia Pritchard will be supporting our Prep - 2 Teachers. More information to follow.

ROUTINES OF THE WEEK

ACTIVELY CONTRIBUTE

This means:

- Pay attention in class and take part in what’s going on. Have-a-go, contribute your ideas, join in with classmates and when you’re part of a team – be sure to do your share of the work.

THINK OF OTHERS

This means:

- Respect your peers and teachers. Respect others right to learn.

WALK ON THE FOOTPATHS

This means:

- Always using the pathways as you walk around the school grounds – and NOT taking shortcuts through the gardens.

IGNITE

Pi Memory Challenge
This activity is gaining momentum every year! We had 14 contestants take the challenge last Wednesday, and, as usual, their achievements were amazing! In our Year 5 and 6 group, the winner was Rosie, Year 5, who had memorised an impressive 49 digits of pi, and the runner-up was Shaun, Year 6, with a very good total of 33 digits.

Our younger entrants shone: The winner of the Year 3 and 4 group was Amy, Year 4, who had memorised an incredible 129 digits of pi i.e. the entire list she had been given! Runner-up was Anastasia, Year 4, with 75 digits - also a remarkable result!

It was great to have so many enthusiastic participants who had devoted so much time to training their brains! Congratulations to all the students who entered, and thanks to all the students who came along to watch and support their friends. Special thanks also to Mr Jones for his support and assistance with the event.

Maths Challenge
A reminder to all those IGNITE students in Years 3 to 6 who took entry forms for the Maths Challenge (the three-week competition run in Term 2) that money and permission forms need to be placed in the box in the Office by this Thursday, 17th March.

FROM THE MUSIC ROOM

CHOIR NEWS
If your child has not come yet but they would like to, they are more than welcome to join us!

Junior Choir is on WEDNESDAY LUNCHTIMES at 11:15am in the Music Room. Junior Choir is for children in Years 3 and 4.

Senior Choir is for children in Years 5 and 6, and will be on THURSDAY mornings at 8:00am in the Music Room.

All choir members will need a display folder (or similar) to keep their sheet music in. Please send this along with your child. Folders can be stored in the Music Room between rehearsals. Alternately, children may take home the folders after each rehearsal, but they must remember to bring them back the following week.

RECORDER
If your child is in Year 5 or 6 they are required to have a recorder for Music lessons each week. If your child does not have one yet, it would be appreciated if you could organise one for them as soon as possible.
It's hard to believe that this time last year I took the plunge to chop off my hair to raise money for the Leukaemia Foundation! As you may remember I did so as my little nephew (Ollie) had been recently diagnosed with Leukaemia.

I was completely blown away by the support of the staff, parents and students in my quest to raise awareness and much-needed funds for this wonderful organisation. Over the past year I have also been touched by staff, parents and students asking how Ollie has been doing, so I thought I’d give you all a general update.

Ollie is doing an amazing job fighting his leukaemia – and we are so proud of him! Life is not always smooth sailing but there have been some pretty huge milestones reached in the last 6 months: being well enough to have his 4th birthday party, his hair growing back (thick and curly – almost like it was before he lost it!) and starting Kindy last month - woohoo!!!

There is still a long road ahead with daily oral chemo, monthly intravenous chemo, 3-monthly lumbar punctures as well as regular blood work over the next 2 years, but he takes it all in his stride and is an inspiration to us all. Thanks again to all for your kind words, thoughts and support.

FROM THE LIBRARY

Brian Falkner, an Australian author who visited Chapel Hill in 2014 is holding a writing camp during the Easter holidays at St Peter’s College in Indooroopilly. Budding authors and keen writers aged 10-14 can apply for a place in the program that will run from 28 March until the 1 April.

This program has been run in the United States, New Zealand as well as across Australia. Students who attended his workshop here at Chapel Hill were very excited and motivated by just the hour they spent writing with Brian.

Please visit the website for further details, application form and costs: http://www.writelikeanauthor.com/

**CHAPLAINS CHAT**

HI Everyone,

It was lovely to see all the children with their fabulous ‘funkyhair’ and to be able to contribute to the Leukaemia Foundation – particularly to help children with cancer. Thank you so much for your support.

**FIJIAN CYCLONE VICTIMS**

As a school the victims of the Fijian cyclone have been in the forefront of our thoughts, and we have made the decision that we will run one more free dress day this term, in order to raise some much needed money for these people.

According to the ABC news recently, as many as 55 000 people are still sheltering in some of the hundreds of evacuation centres that were set up in Fiji, now several weeks after the cyclone destroyed their homes. The category 5 system, one of the most powerful systems ever in the region, hit Fiji on Feb 20th and entire villages have been destroyed. The latest United Nations report says that up to 90 % of structures including hundreds of schools have been destroyed in some of the hardest hit areas. There are many traumatised children needing help and problems with water means that the people of Fiji now
As a school we would like to buy a ShelterBox to send to Fiji. It is a touch lightweight waterproof box and is filled with resources that are urgently needed. These include a disaster relief tent for a family of ten which is designed to withstand extreme temperatures, a children’s pack of drawing books and crayons, a small stove for cooking, and utensils to go with this, thermal blankets, mosquito nets, water purification kits, a tool box and other useful items.

The ShelterBox costs $1000 – a sum that we have never raised before at this school through a free dress day.

Please support our appeal to help the families in Fiji. FREE DRESS DAY Thursday 24th March (Last day of term) GOLD COIN OR OTHER DONATIONS

Mathletics - Points and Certificates

As students work through assigned Curriculum Activities and participate in Live Mathletics, they will earn points towards weekly certificates.

It is important to remember that Curriculum Activities earn more points than Live Mathletics participation.

The aim is to earn 1000 points per week to receive 1 Bronze Certificate.

5 Bronze Certificates will earn students 1 Silver Certificate.
When students receive 4 Silver Certificates they reach Gold Medal status and will be presented with a gold medal and certificate on assembly.

Classroom teachers are responsible for monitoring student progress; however students are able to view or print their achievements at any time by entering ‘MyAwards’. Any Silver and Gold achievements will be presented weekly on assembly.

Below is a summary table indicating when and how students achieve points.

NOTE: Gold Medallions are engraved with the student’s name and posted from the Sydney head office of Mathletics. This process may take a few weeks because the number of world-wide student participants is growing each year. When the medallions arrive, parents will be contacted by email and invited to watch the Gold Medallion presentations on assembly.

SCHOOL INFORMATION

A reminder to parents/carers to notify the School about your child’s health  
Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a 'Request to Administer Medication Form'. Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

Child Absent From School  
Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child’s absence it will be an "unexplained" absence.

Late Arrival to School  
Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.
Picking up during School Hours
If possible, please send a note to your child’s teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students
It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

SAUSAGE SIZZLE AND CAKE STALL

Chapel Hill State School P&C is hosting a sausage sizzle and cake stall from 6.00am - 2.00pm at the Brisbane City Council election on Saturday 19th March.

Having a polling booth in our hall is a great opportunity to raise funds from around our broader community and we'd love your assistance.

Helping out is as simple as coming along for an hour to man the stall or BBQ when you are here to vote or baking your favourite cakes, biscuits and slices.

If you'd like to help out on the day please email Sarah Hart at sarah_hart@optusnet.com.au with your available times and you will be placed on the roster.

Those wishing to bake can collect a cake box from the school office and bring along your creation on the morning of the election (You can also provide your own disposable packaging if you’d prefer). Please note we cannot sell items containing fresh cream as we will not have refrigeration facilities.

We look forward to seeing you there!
