We are fast approaching the end of Term 2 and the colder weather is finally starting to take hold. In fact, this will be my last newsletter as I will be with the Year 6 students in Canberra next week.

I would appreciate parent support to ensure our students remain in school uniform. Hoodies are not part of the school uniform and nor are jeans – if students are out of uniform then it is expected that parents provide a note to explain the temporary issue (e.g. “school jumper in wash”).

**Acting ARD visits CHSS last Tuesday**

We welcomed Mr Stephen O’Kane (our acting Assistant Regional Director) to our school last Tuesday. Stephen has been interested in our data over the past few years and was very interested to hear how the Community Forum has helped to shape the school’s direction and priorities.

**Instrumental Music Fanfare Performance**

Mr Kennedy’s Senior Band and Ms O’Donnell’s Senior Strings performed at Kenmore State High School last week. Both groups performed admirably as they demonstrated their high level of skills. Special mention that Mr K and Ms O had their High School Bands in the State final’s last night – they have many of our ex Chapel Hill SS students.

**Trivia Night A Big Success**

It was great to see three teacher tables at the P and C Trivia Night - great to see teachers actively supporting the parents that support the school. It was a very successful fundraiser for the P and C and it would be fair to say that there was plenty of fun from all involved. The Admin Team would like to note that it was not about who got the highest score but rather we would like to point out that the night was really about the intrinsic reward of supporting a good cause.
Technology in the Classroom
Our new desktop computers have finally arrived and they should be up and running in the Computer Lab shortly. The older (but still usable) desktops will end up being relocated into some of our general classrooms. The school has spent over $30000 on these devices and we hope to see increased speed and engagement that will see better support for our students and their digital learning. The Ignite Room (new classroom - Undercroft) is close to being ready for bookings. The air-conditioning is going in this week and we will have some temporary furniture.

Administration Visiting Students
The Admin team have started formal teacher conversations as a follow up from our class data conversations. We have meet with small groups from Yr 3 to Yr 6 (Prep to Year 2 this week) and shared feedback with teachers to note the great comments about classwork. These visits will continue to provide useful teacher feedback with the intention to support ongoing professional development that brings about good outcomes that improve student learning.

ROUTINES OF THE WEEK
Published by Chapel Hill State School

door

DO YOUR BEST
This means:
• You come to school ready to listen and ready to learn. You know your goals, work out what you need to do to achieve your goals, and then you put in a focused effort—that ‘bit extra’ that will make a difference.

STICKS AND STONES STAY ON THE GROUND
This means:
• Do not pickup sticks and stones. Leave them on the ground

PLAY SAFELY
This means:
• Keep hands, feet and objects to yourself. If you follow the rules of the playground, you’re less likely to get hurt.
IGNITE

The Australian Mathematics Competition (Thursday 28th July)

While out and about during the holidays, families could ensure that all entrants have a couple of 2B pencils and a calculator with near-new batteries as these items will be required for the competition.

There will be three help sessions available for students who are working through practice materials, on the first three Wednesdays next term in the Arts Building from 11:15 to 11:40. These sessions are not compulsory; they are simply times when students may come and ask for further explanation on any of the practice questions.

Dear Parents (P.6)

STUDENT ACHIEVEMENTS

Student of the Week

SCHOOL INFORMATION

A reminder to parents/carers to notify the School about your child's health
Please Note: Students who bring any medication (antibiotics etc.) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a 'Request to Administer Medication Form'. Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.
Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

### Child Absent From School

Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

### Late Arrival to School

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

### Picking up during School Hours

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

### Parking in Tinbeerwah

If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

### Picking Up and Dropping Off Students

It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

### Turning Circle

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

### SPEED LIMITS AND PLAY EQUIPMENT
It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.

Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school.

School Banking Tip – To help us (and you) avoid waiting please fill out the deposit slip in neat clear writing with the name, student number, date and amount deposited. The amount deposited is very important as it gives us something to match to and eliminates the potential for errors.

UNIFORM SHOP

Attention all Parents, Grandparents, and Carers,

We are looking to add some friendly faces to our Uniform Shop roster. Can you spare an hour on a Wednesday morning? It can be a one-off or a regular event. It's super easy, low-commitment and a great way to meet other parents!

The Uniform Shop needs volunteers to stay open. If Wednesday mornings don't work for you, we also need help filling flexischools orders each week and stocktakes at the end of each term. Please, pop in and say hello. We'd love to get to know you!

To help fill our vacancies, email Leah lwoodw@gmail.com or Jade jade@najmea.com.

CHESS

Chess Mates specialises in teaching chess to children of all age groups and skill levels. Our team is dedicated to teaching chess in a fun and interesting way, so that children of any age can join in regardless of experience level. We teach younger students through songs and stories, for older or more advanced students we teach openings, strategies and forward planning. We don’t focus on winning (in fact, we teach kids how to deal with winning and losing). Instead, we focus on making new friends and having fun while learning.

The classes will be starting on the 15 of July and will be held in the Arts Building from 3:15 - 4:00 PM on a Friday afternoon. The cost for the classes will be $10 per session.
