NAPLAN 2016
Last week, our Year 3 & 5 students participated in the annual NAPLAN tests and it was pleasing to see the sensible attitude and willingness students demonstrated during the Literacy and Numeracy assessments. Results will be received later in the year.

COOLER DAYS
As we move into the colder weather please ensure your children are dressed in clothes in accordance with our school uniform code. For example, please refrain from long sleeve t-shirts under polo tops and black footless tights under dresses. We appreciate your support and commitment to representing our school with pride.

SCHOOL ON SUNDAY
Thank you to Mr Kennedy, his band of talented music tutors and the many instrumental music students from Years 5 and 6 who attended school on Sunday in preparation for Fanfare - Education Queensland’s statewide festival of bands. After a series of ‘master classes’, students came together to showcase their combined talents, giving parents and siblings a sneak-peek performance.

C.A.T. Results

On 22nd March, 19 of our Year 5 and 6 students sat for The Computational and Algorithmic Thinking (C.A.T.) Competition. Yesterday at Assembly we were delighted to acknowledge their excellent results.

Namson, Year 5, was awarded a High Distinction, and the following students were awarded Distinctions: Max, Rosie, Matthew D, Andrew P, Toby and Jackson, all from Year 5, and Tyler and Sophie S from Year 6. This means that almost half our candidates achieved Distinction or High Distinction level, which is an impressive outcome.

Awarded Credits were: Joshua, Josiah and Matthew H from Year 5, and Cameron, Kesh, Sam and Matteo from Year 6.

Congratulations to ALL students who participated, and we look forward to even more students entering the intriguing world of informatics next year.

Challenge and A.M.C. Help

20 students from Years 3 to 6 commenced this year’s Maths Challenge last Thursday. If you have a competitor in your household, please remember that they are not permitted to get help from other people; they must interpret the questions independently and their solutions must be entirely their own work. They are permitted to use dictionaries, maths textbooks or the internet to look up definitions of words they are not familiar with. Should they require a hint to head them down the correct path, they are advised to come and see me in the Arts Building between 11:15 and 11:40 on any of the next three Wednesdays (Weeks 6, 7 and 8).

Students who are preparing for the Australian Maths Competition in July by doing some of the GetSet AMC online practice questions are also welcome to come at these times if there are exercises they would like to ask about. The sessions are not compulsory, they are simply times for the students to
Premier’s Reading Challenge 2016

Dear Parents and Guardians

I am delighted to invite all Chapel Hill State School students to join in the 2016 Premier’s Reading Challenge.

As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature.

Last year, more than 138,000 students and 830 schools registered for the program. More than 89,000 students successfully completed the challenge reading 1.95 million books.

The reading period for the 2016 Premier’s Reading Challenge commences on Monday 16 May and closes Friday 26 August.

This year the Premier has challenged all state and non-state school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 to 9 to read 15 books. Experiencing books can include shared reading, listening to stories, or reading picture books. The aim for the 2016 challenge is to reach a total of two million books read.

Students wishing to take part in this year’s challenge can register by talking to the staff in our school library or by downloading a reading record sheet from http://education.qld.gov.au/schools/readingchallenge/pdfs/school-reader-record-form.pdf

Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier and all students receive a Certificate of Participation. It will be my great pleasure to present these certificates during the Premier’s Reading Challenge celebration weeks to be held 7 – 18 November 2016.

For more information about the Premier’s Reading Challenge, please visit: http://education.qld.gov.au/schools/readingchallenge/
You can play a big part in your children’s future by encouraging them to be part of this positive initiative.

I look forward to seeing as many of our students as possible embrace the 2016 Premier’s Reading Challenge.

Yours sincerely,

Stewart Jones
Principal – Chapel Hill State School

**WARMING-UP:**

ALL BAND MEMBERS will need to meet Mr Kennedy outside the MUSIC ROOM in the RESOURCE CENTRE at 6:15pm to warm up. Students need to bring their instruments and music with them.

ALL STRINGS MEMBERS are to meet Mrs O’Donnell outside the COMPUTER LAB at the RESOURCE CENTRE at 6:30pm to warm up. Students will need to bring their instruments and music with them.

CHOIR MEMBERS who are not in BAND or STRINGS will need to meet Mrs Cook at

TOP INSTRUMENTAL MUSIC

Thank you to all the members of the Senior Band who attended the band workshop at school last Sunday 15 May. The aim of the workshop was to boost the band’s preparations for the upcoming performance at Education Queensland School Ensemble Competition (Fanfare), which is being held on the 3 June at Kenmore SHS. The workshop involved various sectional tutorials taken by 6 specialist tutors, as well as full band rehearsals and a short concert at the end of the day conducted by Mr Kennedy. Well done to all the band members for a very successful and productive day.

To continue our preparations for Fanfare, Senior Band members are advised to click on the following links to listen to professional bands playing the three pieces we are currently studying for Fanfare.

Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. **IMPORTANT PARKING INFORMATION**

Parking in Tinbeerwah

If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students
It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

**Turning Circle**

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

**SPEED LIMITS AND PLAY EQUIPMENT**

It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.

UNIFORM SHOP

Dear CHSS Community,
Thank you for your patience while we navigate this transition period with our School Uniform Shop.

We would like to take this opportunity to thank Robyn Neill who has managed the uniform shop the past few years and is now taking a break. Your commitment to the role has been amazing - thank you from all of us at CHSS.

**What is happening now:**

**The Uniform Shop will now open each week on **Wednesday **from 8am - 9am until the end of term 2.**

**Flexischool orders will be filled on Monday afternoons with the aim for them to be delivered to classrooms each Tuesday.**

**Ordering of stock**

To ensure ongoing stability to ordering of stock, this responsibility will now be handled directly by the P&C, with the support of the Treasurer utilising MYOB to manage our stock levels. This ensures we will have limited to no disruptions to this process whilst balancing flexibility and interchangeability with our wonderful community of volunteers.

**What does this mean for you?**

We need volunteers for **Wednesdays from 8-9am** to:

* Process across the counter sales using cash or eftpos;
* Accept second-hand donations;
* Count cash/balance eftpos machine to finalise the morning of sales.

We also need volunteers from **3:30-4pm** on **Monday afternoons** (maybe the kids have sport on and you have 20mins?!)

Flexischools orders will be processed during this time. This involves:

* Pick and pack uniforms to order;
* Second person to cross-check and then deliver to office for distribution;
* No across counter sales at this time, only Flexischool order processing.

**Complete training and run sheets provided!**

**Think you could help on a regular, semi-regular or one off basis?? Please email jade@najmea.com**

Thank you all again for your support.
