Qld School Completion of School Opinion Survey

The annual School Opinion Survey will be occurring in our school during 19th to 28th July 2016 and will obtain opinion information from samples of parents/caregivers and students and all school staff. All survey participants are encouraged to complete their survey on or before 28th July to ensure that their opinion is included in our schools’ reports, which we will receive later this year. The reports will help our school and Education Queensland to further understand how to better meet the needs of our community. Parents will receive a one page flier with a login and user identity similar to the one below. This blue flier will be given to the oldest member of each family to take home.

FROM THE PRINCIPAL

Dear Parents,

The Prep to Year 2 students had a real treat last week with a performance from the perennial performer, Peter Coombe. Thanks to Bridget for her organisational skills and working through issues such as the new Hall flooring not ready for shoes. Thanks to individual P to 2 teachers for their support on the day – including the challenge of finding and matching 50 shoes to 50 feet.

P and C support and Facilities Update

FACILITY UPGRADES
The P and C have finalised the work of the repair of the new Hall floor. This flooring cost well over $20000 and represents a lot of hard work fundraising over the past few years. The floor is gleaming.
and we will need to ensure that it is used correctly to ensure that it keeps its protective lustre.

WE have been given the following instructions from the floor repair company:

- No Sticky tape of any kind on the floor.
- No dragging of chairs or other items over the floor
- Minimise chairs on the floor (loose protective vinyl has been laid at back of hall to allow parents to sit on chairs during assembly)

The oval play equipment will be replaced with rubberised soft fall (around $18 000) and the missing equipment will be replaced (again covered by the P and C).

**WORKING BEE**

Reminder that this weekend is the P&C Working Bee (Sat 23rd from 12:30pm and 24th from 8:30). There is no need to have brute strength or skills with power tools and it is a great way to build community connections while also making our worksite look so much better. There will be some minor disruptions on Friday 22nd and Monday 25th including access around Tinbeerwah Street due to dropping off and picking up skips.

**SCHOOL FETE**

The school fete is another way to contribute to our wonderful community and parents always appreciate staff support. Parents are encouraged to make contact with their class parent rep if you are interested in anyway – I know that there are plenty of opportunities.

Stewart Jones
Principal

**CLASS CAPTAINS - SEMESTER 2**

Congratulations to the following students who have been selected as Class Captains for Semester 2. The presentation of badges will take place at Assembly on Monday 25 July 2016.

Routines of the Week

WEAR A HAT  
This means:  
• Be sun-safe. Our school policy is ‘No hat = No play’. Remember to ALWAYS wear your hat as you move to the Eating Area at break times, and keep your hat on your head at all times during breaks.
PLAY SAFELY
This means:
• Keep hands, feet and objects to yourself. If you follow the rules of the playground, you’re less likely to get hurt.

STICKS AND STONES STAY ON THE GROUND
This means:
• Do not pick up sticks and stones. Leave them on the ground

IGNITE

The Australian Mathematics Competition - Thursday 28th July
All students enrolled to sit the AMC will receive a letter this week with details of requirements for the test and information from The Australian Mathematics Trust. It is important that all students have the following items:

**SCHOOL NOTICES**

**STUDENTS WITH DISABILITY**

**Nationally Collection of Data on School Students with Disability**

Dear Parents/Carers,

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.
All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

All Australian schools participate in this annual data collection.

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child's details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

**Mathletics- Points and Certificates**

As students work through assigned Curriculum Activities, and participate in Live Mathletics, they will earn points towards weekly certificates. It is important to remember that Curriculum Activities earn more points than Live Mathletics participation.

The aim is to earn 1000 points per week to receive 1 Bronze Certificate. 5 Bronze Certificates will earn students 1 Silver Certificate.

When students receive 4 Silver Certificates they reach Gold Medal status and will be presented with a gold medal and certificate on assembly.

Classroom teachers are responsible for monitoring student progress; however students are able to view or print their achievements at any time by entering 'MyAwards'. Any Silver and Gold achievements will be presented weekly on assembly.
Below is a summary table indicating when and how students achieve points.

Note:
- **Gold Medallions** are engraved with the student’s name and posted from the Sydney head office of Mathletics. This process may take a few weeks because the number of world-wide student participants is growing each year. When the medallions arrive, parents will be contacted and invited to watch the on stage Gold Medallion presentations on assembly.

- Students points are accumulated and rolled over into the new class at the beginning of the year.

- The efforts of the Silver Certificate recipients are acknowledged on assembly. Students are asked to stand in their place to the applause of their peers and the Chapel Hill Community.

- The winner of the Mathlete of the Week is announced on assembly and asked to stand in their place. The student’s parent is advised by the office. The Mathlete of the Week receives a special certificate and wins the right to display the Super Mathlete Trophy on their desk for the Week.

- Mathletics Website Hall of Fame. Student points totals on the Hall of Fame for the World and Australia Top 100 is a daily tally - it resets each day at 6:00am and you can see a countdown timer that tells you when the daily tally will reset.

The points totals the students see in their Student Centre are a weekly tally, so if a student has earned 3,500 points for the week, they may not have earned enough points on that day to appear on the Hall of Fame.

The Top 50 class tallies are a weekly tally (you can see a countdown timer displaying the reset time on it), and this is based on the average number of points earned per student within the class, so as to make it even between classes of varying sizes.

**SCHOOL BANKING**

$399 raised through School Banking for Term 2!

Thanks to the fantastic efforts of our students we have raised $399 for our school through School Banking commissions in Term 2.

Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Saving regularly is an important habit to get into, whether you're saving a little or a lot. Keep up the great work and remember, School Banking is every Thursday.

$1,374 to be donated to the School Library.

The P&C have kindly agreed to match the commission from School Banking for Semester 1 2016 of $687. These funds will go to the school library. Thank you for supporting the School Banking program

**Term 3 Outback Savers Rewards.**

The new rewards for Term 3 are now available. The rewards are:
- Backtrack Eraser Pen
- Jump and Skip Rope

**Term 3 Prizelights Competition**
BA School Banking is bringing the exciting news that Prize Lights have appeared in the Outback sky, and the Dollarmites are giving students who demonstrate regular savings behaviour the chance to win spectacular prizes.

How to enter - Students must simply make three or more School Banking deposits during Term 3 for a chance to win one of the Star Saver prizes, including camping kits, instant cameras and magazine packs.

What’s more, students who complete the fun Stargazing online activity, along with making three or more school Banking deposits during Term 3, will also go in the separate draw to win one of the Supernova prizes – a PlayStation 4 pack. Students can complete the Stargazing activity online at any time during Term 3 by visiting commbank.com.au/prize-lights.

Our school also has a chance to win one of 75 bags full of sports equipment, valued at $200, when students make three School Banking deposits during Term 3.

To complete the Stargazing activity, or to find out more, visit commbank.com.au/prize-lights.

If your children are not currently involved in the School Banking program and you would like to know more, please do not hesitate to email Jane (jane.hallam@hotmail.com).

SCHOOL INFORMATION

A reminder to parents/carers to notify the School about your child’s health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a ‘Request to Administer Medication Form’. Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

Child Absent From School
Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

Late Arrival to School
Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.
Picking up during School Hours

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

IMPORTANT PARKING INFORMATION

Parking in Tinbeerwah

If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students

It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

Turning Circle

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

SPEED LIMITS AND PLAY EQUIPMENT

It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.

Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school unless there is direct adult supervision.

IN THE KITCHEN

IN THE KITCHEN – with Jess Hamilton (Nutritionist & Naturopath)
Welcome to ‘In The Kitchen’. This patch is to share with you the stories behind the choices that will help make our Tuckshop exceptional. We mindfully and deliberately choose every ingredient and product in our tuckshop and it is important you know the research and reasons for these.

The first change we are excited to share is our new meat supplier – Hillman Meats now supply all our mince, chicken and ham. We are poaching all our chicken (breast) fresh on the premises each week. This chicken is used for our pizzas, pasta pots plus fresh and toasted sandwiches. The sliced ham for toasties is ‘off the bone’ and our pizza/pasta pot ham is ‘champagne’. The mince is grass-fed Queensland beef. Our menu has traditionally had a large number of items containing ham. In light of the now proven evidence that ham (processed meat) is a known risk for the development of bowel cancer, we have improved the quality of our ham and we are working on providing more ‘ham-free’ meal options. Ham will always be a feature on our menu but we are working to balance this with alternatives for you to choose from. Until next month, all the best, Jess.
