A Community Pre-Forum Survey (Please Give 5 minutes to Complete)
I was given the following quote recently and thought it was perfect for our upcoming Community Forum (planned for mid-October): “If you want to go fast then go alone. If you want to go far then go together”

The P and C and the school staff ‘want to go far’ and are therefore working together to engage the whole community in order to generate ideas and share information about our school’s operations and priorities. To achieve this broad engagement, we are holding a community forum in Term 4 that has been designed by a planning team consisting of parents, teachers and school administrative leaders. The team has designed this pre-forum survey so that feedback can be pooled from the entire school community.

The Planning Team have initially identified four key focus areas (as outlined below) but they are also open to considering other areas that can be identified through this survey.

Identified Focus Areas for the Forum:
- Grounds and Facilities
- Community Connected (school that is connected with its community)
- Connected Student Learning – (students connecting locally, globally and digitally).
- Student Personal Development (skilling students to be active participants in their own learning while also developing traits such as resilience, organisation, tolerance, self-efficacy…)
- Other/s?

The consultative process is to gain some pre-forum data that will help identify priorities while also allowing us to determine strengths and weaknesses. Please click on the link below and complete the survey - https://www.surveymonkey.com/r/ZTB387Q

A ‘Community’Fete on Saturday September 5
We have a big event coming up next weekend. Many would say the biggest event in the year. Saturday 5 September is when we will be holding our Chapel Hill State School’s Fete. The amount of planning and preparation for this event is enormous and so many parents and carers have done so many amazing things to ensure that the day is a success. We can all see that the community feeling is at its zenith during this time of the year as we all work together to generate a great day that will ultimately benefit the entire school.

The fete preparations will continue right through until Saturday morning, and so it is important to acknowledge the work of the many staff, parents and carers that have given so much time and energy to generate what will be a truly great day. Prospective parents often ask me to explain the qualities of our school especially with regards to community engagement. I reply to such questions by noting that they should just drop in at our fete.

Student Resource Scheme and Voluntary Financial Contribution 2015
Many thanks to all parents who have already forwarded payments for the SRS and VFC for 2015. Each family has received a copy of information about the SRS and VFC. If you did not receive a copy, please visit the Office. If you wish, a payment plan for either scheme can be organised by filling out the details on either the SRS or VFC forms. When payment is made, both forms need to be
returned to the box in the office. An invoice and receipt for the SRS will be issued and sent home with your child. Only a receipt will be issued for the VFC and sent home with your child.

2016 Enrolment News at Chapel Hill State School
The demand for 2016 enrolments is already significant and both in-catchment and out of catchment families are required to submit an “Application for Enrolment Form” (copies on our website). We need to manage our student numbers very carefully and it is only through clear data on in-catchment enrolments that we are able to determine the size of our out-of-catchment numbers. Forms can be delivered to the office or sent to the school via admin@chapelhillss.eq.edu.au.

FROM THE DEPUTY

Routines for the Week:
The following routines were shared and explained on Assembly this week. Thank you to Student Leaders.

DO YOUR BEST
This means: You come to school ready to listen and ready to learn. You know your goals, work out what you need to do to achieve your goals, and then you put in a focused effort – that ‘bit extra’ that will make a difference.

ACTIVELY CONTRIBUTE
This means: Pay attention in class and take part in what’s going on. Have-a-go, contribute your ideas, join in with classmates and when you’re part of a team – be sure to do your share of the work.

CARE FOR YOUR CLASSROOM
This means: Keep your classroom tidy. Don’t leave rubbish on the floor, keep desks clean and neat and put all equipment away where it belongs.

WAKAKIRRI NEWS

What an amazing day and night we had on Thursday! Thank you to those of you who were able to come along and support us in the audience. We hope that you all enjoyed our performance. It’s always great to hear feedback from parents - letting us know what you enjoyed most, as we don’t actually get to see it until the DVDs arrive.

All the children performed amazingly, and were so excited and well-behaved! Words cannot express how proud we are of them! It was a shame that there were a few kids who were too sick to participate on the day – we were thinking of you. We are also very proud of our 3 speakers (Sian, Emma and Sky) who did a fabulous job and earned us the Best Public Speaking Award! Congratulations girls.

Considering that most of the cast and crew had just come back from 3 days of fun-filled Year 5 camp, they impressed us with their energy and their resilience – considering many of them were not well and very tired. Mr Olds came well-prepared with some meditation music so that everyone was able to chill out and relax whenever we had the chance. I don’t think that the Wakakirri organisers could believe their eyes when they walked in to our room to find 65 children lying on the floor in the dark – still and quiet!

On the night, every child had their photo taken by a professional photographer. You can view these photos by visiting www.winkipopmedia.com.au.

We have been invited back to perform on Wednesday 16 September at the AWARDS NIGHT (FINALS)!! More detailed information will be sent home this week.

Thanks again for all your support for Wakakirri 2015!

Brisbane Curriculum Leaders' Mathematics Tournament

On Monday, five of our Year 6 students - Ben, Josiah, Lucinda, Nadia and Fin - represented CHSS at the BCL Maths Tournament held at Fig Tree Pocket State School. They competed in two sections: the Team Event and the Relay Event. We are delighted to report that they came Third out of the fourteen teams competing - a very pleasing result.

We congratulate all the team members on representing our school so well. Also, special thanks to Mrs Elizabeth Yee, who gave up her morning to be a driver and supervisor, to Mrs Fanning, who was our other driver, and to Mrs Balnave in the office, who looks after all the administration. We could not participate in activities such as this without the help and support of many people, and we are most grateful to them all.

Science Week Staff Quiz

We celebrated National Science Week with a Super Staff Science Quiz, in which The 'A' Team (Mrs Fanning, Mr Baguley, Mr Yuill and Mr Allen) narrowly beat The All Stars (Mrs Gethin-Jones, Ms Crawford, Ms Thomas and Mr Jones). The two teams were tied going into the last question, and there was only a fraction of a second between the two buzzers! We had a large audience of student supporters, who cheered the teams on throughout the three rounds. There was agreement in all quarters that it had been a lot of fun!

Many, many thanks to the staff members who took part, and those teachers who came along to assist, as well as the wonderful audience. Special thanks also to the Year 6 students - Chloe, Sky, Sam and Ben - who acted as scorers and coaches to the two teams.
Conclusion of Term 3 classes
The current Maths/Science and History units will conclude at the end of this week. There will be no IGNITE classes in Weeks 8, 9 and 10.

Two new units will commence early in Term 4. The usual application/selection process will occur in the first week after the holidays.

CHAPLAINS CHAT

Hi Everyone,

With so much happening in the school at the moment, the weeks are rushing by. It is amazing to see so many of our school community contributing to the massive organisation of the fete and also so many volunteers ready to help with the actual running of the stalls on the day. Your efforts are greatly admired and appreciated.

Sunday of course, marks Father’s Day and I hope that all the Dads out there have a wonderful day. I have included an article by Michael Grose this week, called ‘It’s time for Dads to Speak Up.’ He looks at the role of a father's'presence’ and the need for fathers to ‘speakup’ to impart important life lessons to their children. Please click on the link below to view the article.

Best wishes for a great week.

FROM THE MUSIC ROOM

CHOIR NEWS
Just a reminder that both the Junior and Senior Choirs will be performing at the Fete next weekend – Saturday 5 September.

I am aware that some children may have sporting commitments on that day (and at roughly the same time), and I would appreciate it if you could let me know if they will be unable to perform.

There has been a slight change to our performance times at the Fete:
Junior Choir will now be performing at 12:20pm (not 12:50pm)
Senior Choir will now be performing at 12:40pm (not 1:10pm)

Thanks,

Bridget Cook
Music Teacher

Instrumental Music
There will be no band instrumental lessons or band practices the last two weeks of term as I will be on long service leave and overseas. Lessons and band will be as normal this week.

Thanks

School Information

A reminder to parents/carers to notify the School about your child's health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a "Request to Administer Medication Form". Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).
Child Absent From School
Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

Late Arrival to School
Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

Picking up during School Hours
If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is then to be collected from the Office (NOT the Turning Circle) and MUST BE SIGNED OUT.

IMPORTANT PARKING INFORMATION
Parking in Tinbeerwah
If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students
It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

Turning Circle
A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

Life Education
The Life Education van recently visited Chapel Hill State School. Harold and Michele thoroughly enjoyed their time at our school and reported that they were made to feel very welcome. Harold and I found the students of Chapel Hill enthusiastic, attentive, well-mannered and respectful. They are a credit to their parents and carers and the staff of the school. The students in Year 4C and 5C were particularly impressive and received a letter from Harold. Congratulations!

Parents; In addition to the lessons in the van, all students and classroom teachers received workbooks and resources to extend the lessons delivered in the Life Education classroom. Parents and carers can find out what their children learned in the mobile classroom by going to the parent section of the Life Education website http://www.lifeeducation.org.au/parents Click on the relevant links to also check out the 'conversationstarter' ideas so you can carry on discussing the lessons at home. There are also some fun and engaging online and offline activities you can do with your children as well as articles, tips and strategies on health and safety issues (such as information on how to disable geo-tagging) and free apps to download.

PAYMENTS
Information For the Payment of Invoices
During the year, invoices and permission slips will be sent home for various activities.

Permission Slips
All permission slips need to be returned to the box in the Office by the due date.

Invoices
All invoices need to be attended to by the due date using one of the following options listed below:
1. In person by placing your cash payment in an envelope in the box at the Office.
2. Cheque payable to CHSS and placed in the box at the Office.
3. Credit Card / EFTPOS available at the office.
4. Direct Deposit to CHSS account. It is most important that as many details as possible are given - Customer ID Number, Invoice Number and Student Name.
*Please ensure that the amount deposited is the amount that you have been invoiced*  
School Bank details are as follows:-
- BSB: 064-152
- Account No: 00090226
- Account Name: Chapel Hill State School
5. BPPoint - to make payment go to website [www.bppoint.com.au/payments/dete](http://www.bppoint.com.au/payments/dete). *please ensure that the correct information is entered. Information which will need to be entered is as follows:-
- CRN (advised on Invoice. Note: this is not the Customer ID number)
- Invoice No (advised on the Invoice)
- Students Name (Christian and surname)
- Amount

New: BPPoint Payments
The BPPoint facility is now available for parents to pay online at your convenience. Please remember that an Invoice reference needs to be used and NOT the student ID. Four Fields must be completed as per the diagram below. There is no requirement to advise the school as we receive automatic notification.

Please note that if you are paying by cash, cheque or credit card the invoice needs to accompany the payment and placed in the box in the Office. Please do NOT cut the invoice/payment slip. If you wish to combine more than one invoice this is quite acceptable. When the payment is processed a receipt attached to the invoice will be sent home with your child.

**Woolworths Earn and Learn**

It was great to see the large amount of stickers and completed sticker sheets dropped in the boxes at Kenmore Woolworths and the school office. In the last two weeks, the total number of stickers collected for the school has more than doubled! We are now at 19031 stickers. There is only a week left until this promotion ends. After September 8, please bring in any stickers as soon as you can so they can be sent off and redeemed for school supplies. Thanks for your support! Nicolet (chrisnicoletplus4@yahoo.com)

**Allergies**

We are well aware of the serious nature of allergies in the Tuckshop and as convenor I am a Food Safety Supervisor, trained in how to avoid cross contamination of produce. We want to assure everyone that we take every precaution to ensure that the Tuckshop is a nut free zone and we will be considering other serious allergies faced by our students and seeking to make the Tuckshop free from other ingredients which can cause anaphylaxis. If your child has allergies and you are unsure if they can have Tuckshop please feel free to come into the Tuckshop and have a look around and also chat to me about your concerns. We are well aware of the importance of keeping the Tuckshop safe for all of our students. If you would like to know the information we provide to our home bakers to ensure they adhere to the same high standards we do there will be a link to the Home Bakers Guidelines on P&C website for your perusal soon.

**Cookies**

A number of parents and kids have been missing the opportunity to select cookies as a separate option for a snack. Unfortunately even though cookies are SO popular the Tuckshop staff and volunteers couldn't possibly keep up with the demand. Also the dough we were using was not at all cost effective, the production costs and overheads far outweighed any small profit we were able to make from selling the cookies. We were getting far too many cookie orders each week and were not able to sustain such a supply, even with very kind parents doing extra baking for us regularly. Put simply we just couldn't keep up with the demand. If you would like to join our home baking team and bring in some home baked goodies we would welcome your contribution.
