ROUTINES OF THE WEEK

SPEAK POLITELY
This means:

- Use the words like ‘please’ and ‘thank you’;
- Use a quiet, calm voice rather than an angry, loud or bossy voice. Think before you speak out - choose your words carefully to avoid hurting the feelings of others.

RESPECT THE PROPERTY OF OTHERS
This means:

- Look after belongings of classmates, teachers, classroom property, and school property. You never take something that doesn’t belong to you; you always ask permission from the owner; you always return borrowed items in the same condition; you never purposefully damage the property of others.

CARE FOR NATURE
This means:

- You are careful to protect the animals and plants in our playground; you do not destroy or disturb their habitats, and you keep their living space clean from rubbish.

FROM THE PRINCIPAL

Spring Fete and Gates on Friday
I spoke on Assembly about the powerful community culture that exists at our school. We have so many amazing things that provide students with wonderful experiences that will no doubt become long term memories. Perhaps the biggest of these memories is the Spring Fete.

Ironbark Road gates will be closed at midday Friday 2nd September in preparation for Saturday’s fete. On Friday afternoon parents will need to pick-up from outside of the school grounds.

Tuckshop News
The new tuckshop convenor has been appointed and I would like to note that Sally Bryant has been
the successful applicant. Sally is a parent at the school and we look forward to her continuing on from her acting duties. The P and C have provided a more detailed outline in this newsletter.

**Cyber Safety Information Sessions**

The school has made contact with specialist staff from the Police department in order to deliver information session for parents and students regarding matters around cyber safety. Police officer, Sergeant Jose Sarimento, will be the presenter and he will be using a structured school-based program to inform our community about cyber safety. This is a growing community issue and one that is routinely in the media. The dates will be in early Term 4 and I encourage parents to attend.

**Great work at CHSS – Optiminds Challenge**

CHSS has a long and prestigious connection with the Optiminds competition and this year has been no different. The school submitted four teams and each group were supported by teachers or parents donating plenty of after school hours. The competition ran on Sunday and we wait to hear the outcome – thanks to those that supported teams including teachers and an amazing parent support team. A great example of how we work together as a community.

Maths Enrichment Programme
Way back at the beginning of Term 2, six of our students - Amy and Cameron (4A), Freya (4D), Namson (5A), Tyler and Shaun (6B) - all embarked on this year's Maths Enrichment Programme, which is run by The Australian Mathematics Trust. The programme requires the students to study eight modules of advanced mathematics, do practice exercises on the new work, then submit a detailed solution to a problem set on each of the eight topics.

This involves months of extra study and work for these students, so we commend them heartily on their efforts as the programme draws to a close. Final solutions to all problems are due in by the end of this week. Entrants are advised to take any remaining solutions to the office by this Friday, 2nd September, and ask to have them placed in my pigeon hole.

We look forward to receiving the Enrichment results early in Term 4.

Conclusion of Term 3 Units
Our Maths/Science and History units both concluded last week. There will be no further IGNITE classes this term. Two new units will commence in Week 2 of Term 4, following the application/selection process in Week 1 to determine the new class lists.

STRING AND BAND PROGRAMS FOR 2017
There will be an information night on THURSDAY 8 SEPT at 6:30pm in the HALL for parents of Year 2 and Year 3 students to discuss the Strings and Band Programs in more detail.

If your child is Year 2 they may be eligible to apply for the Strings Program for 2017. Likewise, if your child is in Year 3 they may be eligible to apply for the Band Program for 2017.

Please note that if your child is in Year 3 and already part of the Strings Program, they will not be eligible for the Band Program.

CHOIR NEWS
SING FEST – Wednesday 31 August
A yellow note with all the details for Sing Fest was sent home at the end of last week. I have attached the information below in case your child did not bring one home.

TRANSPORT
We will be travelling by bus to Singfest at The Old Museum, Bowen Hills. Children will need to meet Mrs Cook at the Music Room between 8:15 – 8:30am on Wednesday 31 August.

Please note: There will not be a bus back to school after the concert, therefore it is the responsibility of parents to organise return transport for their child.
UNIFORM
School polo shirt and blue shorts/skorts) and plain black or white shoes (joggers) and hair is to be tied back with hairbands/headbands/ribbons (blue or white).

FOOD
Children will need to bring their own brain snack, morning tea and lunch – including drinks. Please ensure your child brings a drink bottle with them to refill as needed throughout the day. Afternoon tea will be provided for all children before the concert rehearsal. Children may wish to bring their food and drinks in a small, named backpack.

CONCERT
Free concert commencing at 5:15pm for parents, but please note that there will be no onsite parking. There will be checkpoints established for schools at the end of the evening where you can collect your child from. Please make sure that your child’s name is ticked off before taking them.

FETE
Both the Junior and the Senior Choir will be performing at the Fete. Our performance time will be between 11:20-12:00pm. I understand this may clash with some sporting fixtures, as is the case
each year. All I ask is that children let me know whether or not they will be able to perform on the day.

Performance times:
10:10am: Year 2s
10:30am: Sian's Singing Club
10:50am: Year 1
11:10am: Preps
11:30am: Junior Choir

Mathletics - Points and Certificates

As students work through assigned Curriculum Activities, and participate in Live Mathletics, they will earn points towards weekly certificates. It is important to remember that Curriculum Activities earn more points than Live Mathletics participation. The aim is to earn 1000 points per week to receive 1 Bronze Certificate. 5 Bronze Certificates will earn students 1 Silver Certificate.

When students receive 4 Silver Certificates they reach Gold Medal status and will be presented with a gold medal and certificate on assembly.

Classroom teachers are responsible for monitoring student progress; however students are able to view or print their achievements at any time by entering ‘My Awards’. Any Silver and Gold achievements will be presented weekly on assembly.

Below is a summary table indicating when and how students achieve points.

Note: Gold Medallions are engraved with the student’s name and posted from the Sydney head office of Mathletics. This process may take a few weeks because the number of world-wide student...
participants is growing each year. When the medallions arrive, parents will be contacted and invited to watch the on stage Gold Medallion presentations on assembly. Students points are accumulated and rolled over into the new class at the beginning of the year. The efforts of the Silver Certificate recipients are acknowledged on assembly. Students are asked to stand in their place to the applause of their peers and the Chapel Hill Community. The winner of the Mathlete of the Week is announced on assembly and asked to stand in their place. The student’s parent is advised by the office. The Mathlete of the Week receives a special certificate and wins the right to display the Super Mathlete Trophy on their desk for the Week. Mathletics Website Hall of Fame. Student points totals on the Hall of Fame for the World and Australia Top 100 is a daily tally - it resets each day at 6:00am and you can see a countdown timer that tells you when the daily tally will reset. The points totals the students see in their Student Centre are a weekly tally, so if a student has earned 3,500 points for the week, they may not have earned enough points on that day to appear on the Hall of Fame. The Top 50 class tallies are a weekly tally (you can see a countdown timer displaying the reset time on it), and this is based on the average number of points earned per student within the class, so as to make it even between classes of varying sizes.

STUDENT ACHIEVEMENTS

Student of the Week
Congratulations to the following students who received student of the week: Jonathon 3D, Anastasia 4D, Will 2B, Riley 3B, Ben 6B, Liam 2A, Maia PE, Lachlan 4C, Nat PC, Lucas PA, Giselle 3D, Magenta PD, Lincoln 2C, Nicola 5C, Ella 5C, Shaelyn 4C, Caitlin 2D, Maxwell 2E, James 5A, Jess 5B, Chelsea 1A, Josh 4E, Molly 3C, Alex 4B, Emily 4E, Joseph 6B, Berrick 3C.

SCHOOL BANKING

School Banking at Assembly
Thanks to Victoria and Addy from CBA School Banking Team for coming along to Assembly this week to talk about the Term 3 Competition and to Award the colouring in competition prizes.

Well done to everyone who coloured in a picture. It looked like a lot of hard work went into creating such beautiful pictures. Congratulations to Elodie S (PD), Tom B (1C), Sophie R (2A), Charlie W (3C), Anna K (4B), Jennifer L (5C) and Schuyler M (6A) who were selected as the winning entry from each year level. Congratulations also to Holly (5C) and Rebecca (5C) who received a special mention for their joint colouring in.

Term 3 Competition – the school can win too!
School Banking is also giving schools a chance to win one of 75 bags full of sports equipment, valued at $200, when a student makes 3 School Banking deposits during Term 3.

Competition Web Page
A Competition page has been set up which outlines all competition details including the Stargazing online activity – commbank.com.au/prizelights

If your children are not currently involved in the School Banking program and you would like to know more, please do not hesitate to email Jane (jane.hallam@hotmail.com).
GLASSES DONATION

Please bring in any old glasses frames you, family members or friends have but no longer use. You are able to do this throughout all of term three. Please put them in the box on the seat in the office. At the end of the term we will be donating them to the Lions Club organisation. Thank you!

Amy (4A) & Zara (4C)

Recycle 4 Sight Australia has collected thousands of pairs of used spectacles, sunglasses, new frames and other equipment. The program distributes gratisied spectacles to many parts of the world to Lions Clubs, Rotary Clubs and other humanitarian organisations for distribution to poor people in need at no expense or obligation on the recipient.

PAYMENTS

**INFORMATION FOR PAYING INVOICES**

During the year, invoices and permission slips will be sent home for various activities. **Permission Slips** All permission slips need to be returned to the box in the Office by the due date. **Invoices** All invoices need to be attended to by the due date using one of the following options listed below:

1. In person by placing your cash payment in an envelope in the box at the Office.
2. Cheque payable to CHSS and placed in the box at the Office.
3. Credit Card / EFTPOS available at the office.
4. Direct Deposit to CHSS account. It is most important that as many details as possible are given starting with - Student Name or Customer ID Number, then Invoice Number or activity.

*Please ensure that the amount deposited is the amount that you have been invoiced*

School Bank details are as follows:-

BSB: 064-152   Account No: 00090226   Account Name: Chapel Hill State School

Please ensure that the correct information is entered. Information which will need to be entered is as follows:-

- CRN (advised on Invoice. Note: this is not the Customer ID number)- Invoice No (advised on the Invoice)- Students Name (christian and surname)- Amount

The BPoint facility is available for parents to pay online at your convenience. Please remember that an Invoice reference needs to be used and NOT the student ID. Four Fields must be completed as per the diagram below. There is no requirement to advise the school as we receive automatic notification.
Please note that if you are paying by cash or cheque the invoice needs to accompany the payment and placed in the box in the Office. Please do NOT cut the invoice/payment slip. If you wish to combine more than one invoice this is quite acceptable. When the payment is processed a receipt attached to the invoice will be sent home with your child.

DEBTOR STATEMENT INFORMATION

Debtor Statements

Debtor Statements provide parents with the following information:-

1. **Overdue Payments.** In future, please ensure payment is made on or before the due date for any excursions or activities unless a payment plan is in place. **No payment may result in your child being unable to attend.**

2. **Credit on your Child’s Account.** Your credit can be held on the account and used at any time. However, you will need to contact the office to arrange this as this does not automatically occur.

3. **Current Invoices.** These are invoices which may have just been issued and payment may not yet be due. **You have until the due date of the original invoice to pay this.** For example - multiple invoices are issued within the same week. The advantage of this is; if you have have received more than one invoice, the debtor statement will have combined all of these onto one statement. Therefore, if you wish, only one payment will be required instead of multiple payments (unless you pay by BPOINT. If paying by BPOINT you will still need to enter details for each invoice).

P&C PATCH - TUCKSHOP & UNIFORMS

IN THE KITCHEN

I do like learning new things, especially when it’s been right under my nose the whole time… I was taken by surprise this week, in my search for a similar replacement for the TNT Ice Pops. Our
‘healthier’ option for ice treats are currently the Quelch 99% fruit icy poles. I was shocked to learn they also contain Sodium Benzoate and most of the nasty colours that the TNTS contain. I was fooled by their ‘natural looking’ appearance and the 99% fruit label. Which brings me to this week’s topic: Food Labeling Loop Holes.

Recently a number of manufacturers came under fire with their shonky ‘self-made’ labels promoting their products as ‘canteen friendly’ and ‘healthy kid’s snacks’. One of our old menu items, Jumpies were one of the offenders.

Here are some other misleading facts:

- It can be called organic if it has 1 organic ingredient or if it’s 1% organic.
- Certified organic isn’t so unless it contains a logo or code for a Department of Agriculture approved certifying organisation – Australia has just 6 approved certifiers.
- Un-approved Certified organic products are still sold in Australia.
- No artificial flavours – it can still contain MSG because it is a ‘flavour enhancer’ not a flavour
- ‘Natural colours & flavours’ can represent up to 250 laboratory produced chemicals that are the chemical equivalent to its natural counterpart.
- Ingredients that contribute to less than 5% of the product do not have to be disclosed on the label.
- FAT can represent up to 8 different products
- SUGAR can represent up to 13 different products
- 99% fruit juice – made from 100% reconstituted juice means there is no longer any biological resemblance to the original fruit, nor does it contain any beneficial nutrients found in fruit.
- LOW FAT means there has generally been a filler or bulking agent added. Foods naturally high in fat are extremely nutrient dense. Removing fat is removing valuable nutrients.
- Products claiming to be FRESH or NATURAL are often trademarked terms, not actually fresh or natural.

So… these are just a few of the misconceptions around Australian Food labeling. The ACCC works hard to maintain a high standard, however greed and politics rule the commercial food industry and manufacturers continue to mislead consumers and cut corners. Australia still has a long way to go with food labeling declarations.

Getting back to the Ice treat alternatives, our search continues… we’re really keen to keep the sweet frozen treats for the kids, just with a little more purity in the ingredients. The SMOOZE fruit ices are looking viable, we are also considering the option of made-in-house fruit ice-blocks. At least we’d have full control over the ingredients, the price can remain low and we can make them look and taste great!

Thank you again for your interest. Remember you’re always welcome to stop by the tuckshop for a coffee & a bit of food prep. Sally is always grateful for the extra hands!

Healthy regards, Jess.

TUCKSHOP NOTICES

Help us help you
Did you know that the Tuckshop is supporting all our food stalls for our Fete this week by providing food prep space, storing food and even running our BBQ stall on the day. There are going to be
some deliciously different food options available on Fete day prepared by the talented members of our school community including: Curries, Vietnamese Street food, Nachos and Burgers. We are hoping to learn lots to bring these onto our Tuckshop menu in the future!

What does this mean for the Tuckshop in Fete Week

Tuckshop will be open as per usual but we ask you to consider saving your tuckshop money to spend on these amazing foods at the Fete. We would love to have feedback on your favourite items which might then be included on the Tuckshop Menu. We ask that for just one week please see if you can help "lighten the load" of Tuckshop orders so it can help our amazing Fete volunteers prepare sensational food for Fete Day.

WELCOME - TUCKSHOP CONVENOR

Welcome SALLY BRYANT as our new Tuckshop Convenor

On behalf of the P&C association, we would like to congratulate and welcome Sally Bryant as our new Tuckshop Convenor. Having interviewed three strong candidates recently, Sally drew on her diverse background to highlight her understanding, knowledge, and passion.

New to our school from Roxby Downs, a mining town in northern South Australia, Sally’s family have immersed themselves into our local community with sporting and community events held throughout the year.

Sally is also a Chemical Engineer, who has managed teams in the mining industry. After becoming a mother of two, her interests moved towards children’s health and nutrition, where she embarked on a program introducing children to food exploration and play. Through this, she built a network of volunteer programs within her community, across all aspects of children’s health and physical activity.

Sally and husband Josh have two children at Chapel Hill, currently in year 4 and year 2. Keep up to date with Sally and the Tuckshop Subcommittee via the school newsletter and Facebook page – Chapel Hill State School Tuckshop.

There is a noticeable buzz around the Tuckshop. We appreciate all the support and feedback from both teachers and parents and welcome anyone to stop by anytime for a chat.

FETE

We have managed to finalise our performance program for the Fete on Saturday 3rd September!

Our children have been rehearsing hard ready to entertain us all!

Here are the details for Fete Day student performances:

- 10:10am - Year Two
- 10:30am - Sian's Singing Club
- 10:50am - Year One
- 11:10am - Prep
- 11:30am - Junior Choir
- 11:50am - Senior Choir

(Students will be given a call out prior to their performances so they know to come to the stage area)

The afternoon will be full of wonderful entertainment from some of our amazing community organisations and groups. Full details will be sent home with a site map closer Fete day!

Now that you know when your children will be performing remember to jump on and put your name down for a volunteer shift or two!!

SCHOOL INFORMATION

SPEED LIMITS AND PLAY EQUIPMENT

It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.

Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school unless there is direct adult supervision.
A reminder to parents/carers to notify the School about your child’s health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a "Request to Administer Medication Form". Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students’ health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

Child Absent From School

Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child’s absence it will be an "unexplained" absence.

Late Arrival to School

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

Picking up during School Hours

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

IMPORTANT PARKING INFORMATION

Parking in Tinbeerwah

If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.
Picking Up and Dropping Off Students

It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

Turning Circle

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.
