**FROM THE PRINCIPAL**

2016 was a very busy year and finished with a farewell Graduation Ceremony for our Year 6 students. The year also finished with a wonderful transition program for our incoming 2017 Prep students. We are now the very proud owners of 97 new Prep students with another 30+ new students starting from Yr1 to Yr 6. Our 2016 end of semester two academic achievements were very impressive with the school achieving the highest percentage of ‘A’ and ‘B’ results for several years. 2016 has been a great platform as we work to make further progress in 2017.
Our 2017 School Captains and House Captains have taken their oath and are ready to commence their new leadership role. I am very impressed by their positive attitude and readiness to foster ideas that will result in positive outcomes for the School. Each student has a role in our community and there is support that will allow our leaders to be effective. Special thanks to Katherine Viney (our 2011 School Captain) for returning to the School to share her thoughts on leadership.

Next week will see our remaining Year 6 School & Student Leaders being inducted into their leadership roles.

Our School Focus for 2017

Our four School priorities were generated as part of our 2015 community consultation that included a comprehensive survey. Much was achieved in 2016 across these key areas that included: developing connected students (including IT & coding skills and cyber safety); student personal development (including social emotional wellbeing); developing connected community and our grounds & facilities.

2017 will see us continue to make inroads into these priority areas – a brief outline of 2017 initiatives includes:

1. **Quality Teaching and Learning**: Continued work around our explicit teaching programs. Particular emphasis on reading and writing.
2. **Connected Students**: Improved use of Information, Communication and Technology in the classroom with an introduction of EdStudio classes and specific IT skills for each year level.
3. **Student Personal Development**: Re-setting our whole school approach to our behaviour management and the introduction of a Student Athletic Development Squad
4. **Connected Community**: Improving school community communication and consultation will occur through the establishment of a community School Council. This is as part of our commitment to becoming an Independent Public School.
5. **Grounds and Facilities**: The school will continue to work with the P and C to improve facilities while also targeting improving our performing arts buildings and ensuring the new computer lab and wet science lab are both operational for the start of the new school year.

**Parent Information Evening**

We are running our Parent Information Sessions this Thursday (2\textsuperscript{nd} Feb for Prep to Year 2) and next Thursday (9\textsuperscript{th} Feb for Year 3 to Year 6). These sessions are extremely informative and allow parents to gain a clear understanding of the events and routines within the 2017 classes. Those that are unable to attend will see that the PowerPoints will be posted onto our website. Our semester curriculum plans will also be posted on our website from February 10. This document outlines the content being taught for each year level.
All Year 2 to Year 6 classes will be using the EdStudio this year and the presentation will include a demonstration of its effectiveness. Parents will see how students will be using the EdStudio to interact with the class, the teacher and the curriculum.

Stewart Jones
Principal

SPECIALIST TEACHERS
FROM THE LIBRARY

LIBRARY NEWS

Welcome to the new school year from CHSS Library! This year, our Librarian Mrs Judy Massey is taking a well-deserved break. In her place, Mrs Kirsten Bailey will be Teacher-Librarian. Mrs Bailey will work on Thursdays and Fridays. There are lots of exciting things planned for the Library this year, so keep an eye on the Newsletter for news.

Library opening hours are 8:30am – 3:00pm Monday to Friday.

EDSTUDIO

An EdStudio has been developed for CHSS Library. This is a space where students, parents and teachers can view important information about the library, including class borrowing times, Book Club, and special events like Book Fair and Book Week. This EdStudio can be accessed by logging on to http://education.qld.gov.au/learningplace/ - students will need their Education Queensland username and password (this is the same username and password they use to log on to computers at school). Once logged in to The Learning Place, students will need to click ‘Student Space’ and then select ‘EdStudio’ from the menu at the top of the page. They should then be able to view an EdStudio titled “CHSS Library”.  Borrowing Limits

Prep - Year 1:

Students may borrow up to 2 books per week. Books are due to be returned the following week.

Year 2 - Year 6:

Students may borrow up to 4 books. Books are due for return after 2 weeks.

Students may renew their loans where necessary.

Students may borrow books before school or during lunch time. In addition, each class is allocated a borrowing time.

BOOK CLUB

The Library runs Scholastic Book Club twice per term. Book Club is an opportunity to buy books for your children or for gifts.

Sales from Book Club assist the Library enormously as well as providing books for children at less than recommended retail prices. Once orders have been sent to Scholastic, books will usually arrive at school within 4-7 working days.

Book Club brochures for issue 1 will be sent home this week. An order form is in the centre of each brochure.

Orders can be placed online at scholastic.com/LOOP
until 3pm Friday 10 February.

There is no need to return anything to school.

If you wish to pay by cheque please return the order form and payment to the orange box in the library by the closing date:

**Friday 10 February**

No Cash Orders Please – Our School is running a Cashless Book Club.

IGNITE

2017 Units Commence

Term 1 units for Years 3 to 6 start this week. The Maths unit focuses on preparing for two of our major competitions for the year: the Computational and Algorithmic Thinking (C.A.T.) Competition for students in Years 5 and 6, and the Maths Challenge, an extended problem solving activity for Years 3 to 6. The Science unit will be focused on waste - its different forms and how they are treated and recycled.

For the information of those new to the school, the IGNITE in-class program offers extension opportunities, primarily in Maths and Science, to many of our keen and capable students. Participants in Years 3 and 4 are selected by staff, but students in Years 5 and 6 can apply to participate in units of their choice. However, we usually have more applicants than places, so final selections are made by staff. Some of the criteria that may be used in the selection process include: aptitude and interest in certain subject areas, general classroom behaviour, and whether the student can be relied upon to complete any class work missed while they are attending IGNITE. It is also worth noting that selection for an IGNITE unit does not guarantee on-going inclusion in the program.

Janet Freyne
IGNITE Coordinator

SCHOOL NOTICES

STUDENT ACHIEVEMENTS

Congratulations to the following students who were presented with their School and House Captain badges at assembly on Monday 30 January 2017. Badges were presented by past School Captain, Katherine Viney.

**SCHOOL CAPTAINS 2017 - Yr 6**

Mathletics - Points and Certificates

As students work through assigned Curriculum Activities, and participate in Live Mathletics, they will earn points towards weekly certificates. It is important to remember that Curriculum Activities earn more points than Live Mathletics participation. The aim is to earn 1000 points per week to receive 1 Bronze Certificate. 5 Bronze Certificates will earn students 1 Silver Certificate.

When students receive 4 Silver Certificates they reach Gold Medal status and will be presented with a gold medal and certificate on assembly.
Classroom teachers are responsible for monitoring student progress; however students are able to view or print their achievements at any time by entering ‘My Awards’. Any Silver and Gold achievements will be presented weekly on assembly.

Below is a summary table indicating when and how students achieve points.

<table>
<thead>
<tr>
<th>When do I get credits?</th>
<th>How many do I get?</th>
</tr>
</thead>
<tbody>
<tr>
<td>When you first come in to ‘Live Mathletics’</td>
<td>5 credits</td>
</tr>
<tr>
<td>When you achieve a high score in ‘Live Mathletics’</td>
<td>10 credits</td>
</tr>
<tr>
<td>When you achieve a high score in your ‘Curriculum Activities’</td>
<td>10 credits</td>
</tr>
<tr>
<td>When you earn your Bronze Certificate</td>
<td>100 credits</td>
</tr>
<tr>
<td>When you earn your Silver Certificate</td>
<td>150 credits</td>
</tr>
<tr>
<td>When you earn your Gold Certificate</td>
<td>250 credits</td>
</tr>
</tbody>
</table>

Note:- Gold Medallions are engraved with the student’s name and posted from the Sydney head office of Mathletics. This process may take a few weeks because the number of world-wide student participants is growing each year. When the medallions arrive, parents will be contacted and invited to watch the on stage Gold Medallion presentations on assembly.- Students points are accumulated and rolled over into the new class at the beginning of the year.- The efforts of the Silver Certificate recipients are acknowledged on assembly. Students are asked to stand in their place to the applause of their peers and the Chapel Hill Community.- The winner of the Mathlete of the Week is announced on assembly and asked to stand in their place. The student’s parent is advised by the office. The Mathlete of the Week receives a special certificate and wins the right to display the Super Mathlete Trophy on their desk for the Week.- Mathletics Website Hall of Fame. Student points totals on the Hall of Fame for the World and Australia Top 100 is a daily tally - it resets each day at 6:00am and you can see a countdown timer that tells you when the daily tally will reset. The points totals the students see in their Student Centre are a weekly tally, so if a student has earned 3,500 points for the week, they may not have earned enough points on that day to appear on the Hall of Fame. The Top 50 class tallies are a weekly tally (you can see a countdown timer displaying the reset time on it), and this is based on the average number of points earned per student within the class, so as to make it even between classes of varying sizes.

INSTRUMENTAL MUSIC

STRINGS

Please be aware our lessons and rehearsal started this week. Please read carefully and be aware of the changes this year:

Senior String Orchestra’s first rehearsal is at 7.30-8.45am Friday 3rd Feb. It includes all the Year 4, 5, 6 string students. Junior String Orchestra, which means all the Year 3 string students, will start rehearsal from Term 2. (There will be no Intermediate and Beginner Strings.) Please bring along your instruments and music folders. Let’s be excited about another year of music making!!!

Mrs. O’Donnell
Instrumental Music Teacher
BAND

Band Instrumental lessons have commenced this week. Timetables were issued to the class teachers last week. Students should check the timetable to see when their lesson is scheduled.

Year 5 and 6 students need to note that Senior Band will commence Tuesday 7 February at 7:30am sharp.

Mr Ed Kennedy
Instrumental Music Teacher

TECHNOLOGY DEVICES

The Use of Personal Technology Devices* at School

This policy reflects the importance the school places on students being responsible digital citizens. Chapel Hill State School students will display courtesy, consideration and respect for others whenever they are using personal technology devices.

All personal technology devices require permission to be brought onto Chapel Hill State School grounds.

* Personal Technology Devices include, but are not limited to the following devices; portable gaming devices, the IPhone, IPod, IPod Touch or IPad, Tamagotchi®, and similar games, laptop computers, PDAs, Blackberries®, cameras and/or voice recording devices (whether or not integrated with a mobile phone or MP3 player), mobile telephones, connected watches (e.g. smart watches) and devices of a similar nature.

Bringing personal technology devices to school is not encouraged by the school. These devices must be left in the office at the start of the school day.

Additional information can be located on the school website in the CHSS Responsible Behaviour Plan Appendix 18

PAYMENTS

INFORMATION FOR PAYING INVOICES

During the year, invoices and permission slips will be sent home for various activities.

Permission Slips
All permission slips need to be returned to the box in the Office by the due date.

Invoices
Payment of all invoices need to be attended to by the due date using one of the following options listed below:

1. In person by cash payment, in an envelope, at the Office between 8:15am - 11:00am.

2. Cheque payable to CHSS at the Office.
3. Credit Card / EFTPOS available at the office between 8:15am - 11:00am

4. Direct Deposit to CHSS account. It is most important that as many details as possible are given starting with - Student Name or Customer ID Number, then Invoice Number or activity.

*Please ensure that the amount deposited is the amount that you have been invoiced*

School Bank details are as follows:-

BSB: 064-152      Account No: 00090226      Account Name: Chapel Hill State School

5. BPoint - to make payment go to website www.bpoint.com.au/payments/dete

Please ensure that the correct information is entered. Information which will need to be entered is as follows:-

- CRN (advised on Invoice. Note: this is not the Customer ID number)- Invoice No (advised on the Invoice)- Students Name (christian and surname)- Amount

The BPoint facility is available for parents to pay online at your convenience. Please remember that an Invoice reference needs to be used and NOT the student ID. Four Fields must be completed as per the diagram below. There is no requirement to advise the school as we receive automatic notification.

Please note that if you are paying by cash or cheque the invoice needs to accompany the payment and placed in the box in the Office. Please do NOT cut the invoice/payment slip. If you wish to combine more than one invoice this is quite acceptable. When the payment is processed a receipt attached to the invoice will be sent home with your child.

DEBTOR STATEMENT INFORMATION

Debtor Statements

Debtor Statements provide parents with the following information:-
1. **Overdue Payments.** In future, please ensure payment is made on or before the due date for any excursions or activities unless a payment plan is in place. No payment may result in your child being unable to attend.

2. **Credit on your Child’s Account.** Your credit can be held on the account and used at any time. However, you will need to contact the office to arrange this as this does not automatically occur.

3. **Current Invoices.** These are invoices which may have just been issued and payment may not yet be due. You have until the due date of the original invoice to pay this. For example - multiple invoices are issued within the same week. The advantage of this is; if you have received more than one invoice, the debtor statement will have combined all of these onto one statement. Therefore, if you wish, only one payment will be required instead of multiple payments (unless you pay by BPOINT. If paying by BPOINT you will still need to enter details for each invoice).

**P&C PATCH - TUCKSHOP & UNIFORMS**

**TUCKSHOP**

**Tuckshop re-opens on Wednesday 1st February.**

**Flexischools**
A reminder to update Flexischools with your students new classes so that their lunches go to the correct place.

**Volunteers**
Thank-you to the new parents who have already volunteered for the tuckshop for 2017. Welcome back to all our wonderful existing volunteers.

A new induction pack and 30 minute video (from Food Standards Australia New Zealand) has been circulated to volunteers.

If you would like to volunteer please see Sally in the tuckshop or email chapelhilltuckshop@gmail.com. Volunteering in the tuckshop includes lunch preparation Wednesday to Friday, home baking or food preparation (afternoons before school pick-up).

**Roster**
The roster will be distributed to volunteers to review and will then be regularly published in the newsletter.

**Facebook**
Please like the Chapel Hill State School Tuckshop page to receive regular updates on news from the tuckshop.

[Click here to view the Tuckshop Menu](#)

**UNIFORM SHOP**

**Opening Times: Wednesdays 8:00 - 9:00am**

Avoid the queue! Uniform shop is very busy at the start of each term.
We deliver uniforms to classrooms every Wednesday. Order online at flexischools.com.au. Remember to update your child’s classroom for 2017 (this will help with lunch orders too!)

FlexiSchools - Online Ordering and Cashless Schools

flexischools.com.au

Flexischools is the fast and secure way to order and pay for canteen, uniforms, events, excursions, fundraisers and fees - everything in and around your school!

The cut off for orders is 10pm each Monday, after this your order will be included in the following week’s delivery.

Uniform shop opening hours are Wednesdays 8-9 am.

Any questions or want to get involved? Email chssuniformshop@gmail.com

Click here to view the Uniform Price List - October 2016.doc

MORNING TEA
Join the Dollarmites on a savings adventure in the future with School Banking!

*School Banking is on each Thursday morning from 8.20am in the Tuckshop area.*

Every year the School Banking program launches a new savings theme and eight new exclusive School Banking reward items.

In 2017, School Banking is getting children excited about the future with a brand new look for the Dollarmites. As **Future Savers**, students will join the Dollarmites on a journey to reach the Savings Hover Park, an amazing playground up in the clouds of a hi-tech city.
There are **8 new reward items for 2017** from the Future Savers range:

- Cyber Handball (Term 1)
- Colour Change Markers (Term 1)
- 3D Chalk Set
- Tablet Case
- Smiley Emoji Keyring
- Volt Handball
- Pencil + Tech Case
- Epic Earphones

**Win a family adventure holiday at Tokyo Disneyland!**

This year, School Banking is running a Future Savers Grand Prize competition that will take one lucky School Banker all the way to Tokyo, Japan. More information will be provided about the competition in future newsletters.

**How the School Banking program helps the students and the school**

School Banking is a fun, interactive and engaging way for students to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

It is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

**Getting involved in School Banking is easy!**

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. **Online**
   

2. **In branch**
Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver’s licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

Visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) to download and print this year’s Rewards Card. There is also a fun activity sheet and a Savings Tracker your child can use to keep track of their School Banking deposits throughout the year.

If you would like to know more about School Banking, please email Jane (jane.hallam@hotmail.com) or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking).

*Jane Hallam & Helen Middleton*

**School Banking Co-ordinators**

**FUNDRAISING**

**Fundraising for 2017**

The P&C is looking for interested people from the school community to help with fundraising this year.

This team is separate from the Fete Committee, and has previously been involved with activities like organising the Mother's and Father's Day Stalls, Entertainment Books, Disco and Bush Dance.

There are no requirements regarding any of these activities having to happen each year so some fresh ideas would be great to have! Past fundraising committee members are happy to provide information used previously.

The Chapel Hill community is always a great support to any fundraising activities so you can be assured of lots of additional help.

Please contact Jess at jess.pandcssecretary@gmail.com if you are interested.

**SCHOOL INFORMATION**

**SPEED LIMITS**

It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.
Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school unless there is direct adult supervision.

MEDICAL

A reminder to parents/carers to notify the School about your child's health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a "Request to Administer Medication Form". Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

STUDENT ABSENCES

Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

LATE ARRIVAL TO SCHOOL

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

PICKING UP DURING SCHOOL HOURS

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

IMPORTANT PARKING INFORMATION
Parking
In the interest of our children's safety, please refrain from reversing out of the driveway. In the event that reversing is unavoidable, please find an adult to help guide your way.

Parking in Tinbeerwah
If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students
It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

Turning Circle
A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

COMMUNITY ANNOUNCEMENTS

ROAR
### The Roar Active Program includes:
- 4 Week Coaching Program
- Pauls Roar Inflatable Fields
- Fun Games & Drills with our Roar Coaches

### Registration for:
**CHAPEL HILL STATE SCHOOL**
4 Thursdays 9/2, 16/2, 23/2 & 2/3
3:15pm - 4:15pm on the school oval

Girls Only Holiday Clinic coming in Easter Holidays!! Call now for more info!!
Fitter Futures is an all-round fitness program especially for kids. Workouts consist of constantly varied functional movements that deliver total body fitness and is inclusive and scalable for any child, at any level of fitness.

No two workouts are the same, so kids never get bored. And the movements are functional and fundamental to all things that kids need to do when they play.

All of the movements are taught safely and effectively under the close supervision of thoroughly trained coaches.

8 weeks: $110 (1/wk) or $190 (2x week)

Starting 7 Feb!

FREE trial for first session!
