FROM THE PRINCIPAL

I would like to thank Ms Janet Hoek for covering for me during my short trip to Berlin. My conference schedule provided a chance to visit three schools and they all had their own interesting features including:

- Berlin Bilingual School – enrol students at the age of 5 and all students must be fluent in both English and German. Students need to be flexible as their teacher maybe delivering in either language. It was interesting to note the Australian influence in naming one of their classes (see photo)

- Berlin Metropolitan School – the school has just over 400 students in the primary school. Their total play area was a paved space about one third the size of our main oval.

• JFK School – was built to deliver an education program for the American military families living in Berlin. The school has a very American feel and again students are expected to have a strong degree of proficiency in German and English.

I was interested to hear that the first two schools both had appointed a number of Australian teachers. I was impressed to hear both principals noted that these teachers were highly valued as they were easy to work with and very capable at delivering curriculum (the JFK School is obliged to employ only German or American teachers).

There was interest in maintaining a link with these schools and we are investigating opportunities for our students to connect. This helps our school goal of seeing our students interacting in a global context.

This Week
This is the start of a big week as we commence Week 8 of an eleven week term. The challenges abound with the State of Origin on Wednesday being almost as big as the Trivia Night this Saturday (June 4). I’m sure that team selection and training will be a key success criteria for both events.

The Prep students thoroughly enjoyed the Q and U wedding while our Yr 5 students started their extension opportunity taking on computer programming. Both events show that creative opportunities deliver a high level of student engagement. The value is seen when the Yr 5 students were all so intensely focused on their work that they did not even register the fact that the bell had rung.

Admin Checking in with Students as a follow up to Data Conversations
The school has implemented a detailed process of gathering individual and group student performance data and using it to identify specific teacher led support strategies. As part of the ongoing monitoring of student differentiation, the Admin Team will be visiting classes to check-in on the effectiveness of the support strategies.

Calling for Prep 2017 Enrolment Forms
All 2017 Prep students that are within our catchment or already have older siblings at the school, are able to enrol directly into the school without having to register for our waiting list. We always have a
number of families that are out-of-catchment and we will offer spare places on a first-come first-served basis.
Last year we trialed the use of staged out-of-catchment offers of enrolment with the first round of offers starting in August – we will continue with this same process. The confirmation of an offer allows our early out-of-catchment families to be certain that they have a spot for 2017. We expect that we will be able to offer a fair few places but certainly those that have their forms in early will have a greater chance of an offer.

Those 2017 Prep families that are in-catchment should also submit enrolment forms to ensure we are well aware of our overall enrolments. The enrolment form can be found on our school website (https://chapelhillss.eq.edu.au/Enrolments/Pages/Enrolments.aspx ). Please feel free to contact our enrolment officer (Ms Lynne Wathen 38714888) if you have any questions.

ROUTINES OF THE WEEK

WEAR A HAT
This means:
• Be sun-safe. Our school policy is ‘No hat = No play’. Remember to ALWAYS wear your hat as you move to the Eating Area at break times, and keep your hat on your head at all times during breaks.

ENCOURAGE OTHERS
This means:
• Show confidence in someone else’s ability to achieve; Say to them ‘Keep going. You can do it!’ ‘Don’t give up’; Look for what others do well and praising them for it; Lend a helping hand where it’s needed.

CARE FOR OUR SCHOOL
This means:
• Don’t leave rubbish on the ground
• When you see rubbish, pick it up on the way to bin
• Walk your bike/scooter through the school grounds
• Follow the directions of the pick-up zone supervisor

SPECIALIST TEACHERS

IGNITE

Maths Challenge Concludes on Thursday 2nd June
Last week I visited almost all participants and reminded them that the Challenge winds up this week. The last opportunity to seek assistance will be tomorrow (Wednesday) from 11:15 until 11:40 in the
Arts Building. On Thursday, an announcement will be put over the loudspeaker to remind students to hand in their work at the Arts Building during the lunch break.

Please note that no extensions can be given and any late submissions may incur loss of points due to unfair advantage.

**Assistance for students preparing for The Australian Maths Competition**

Any students who have queries about any of the on-line practice questions or anything from the 2015 paper are welcome to attend the help session in the Arts Building at lunch break tomorrow. This will be the last of the help sessions for this term, but further sessions will be held in the first three weeks of Term 3, leading up to the Competition in Week 3, on Thursday 28th July.

**Conclusion of Term 2 Classes**

The IGNITE in-class programme for Term 2 has finished now. Units will recommence at the beginning of Week 2 in Term 3, with the same students who participated this term. A new application/selection round will occur at the beginning of Term 4, for the last two units of the year.

Please place orders online by 3pm Friday 3 June.

FROM THE MUSIC ROOM

Choir News
Music Night
Wow – what a great night it was last Thursday for our first Music Night of 2016! All groups did a fabulous job with their performances, and I’m sure I can speak on behalf of Mr Kennedy and Mrs O'Donnell when I say how proud we were! Thank you to the Music Captains for emceeing the evening and to the AV crew for running the sound for us.

A big thank you also to all the parents who helped pack up the Hall at the end of the evening - we really appreciated it!

Junior Choir – rehearsal day change!
I have had to change the day we rehearse due to a clash with Beginner Band. From now on rehearsals will be on THURSDAYS 11:15am. I will place a sign on each of the Year 3 and 4 classroom doors to remind members.

Assembly Performance
On Monday 6 June (Week 9) both the Junior and Senior Choirs will be performing on Assembly. Each choir will perform one song each.

NOTE: Gold Medallions are engraved with the student’s name and posted from the Sydney head office of Mathletics. This process may take a few weeks because the number of world-wide student participants is growing each year. When the medallions arrive, parents will be contacted by email and invited to watch the Gold Medallion presentations on assembly.

Our first Triple P seminar has been a great success with over 120 parents registering. We've had very positive feedback about how useful the information on the night has been.

Please register your attendance for the final Triple P seminars at http://www.triplep-parenting.net.au/gld-ubuntu/get-help/find-a-triple-p-session/ (you must register for each seminar and each person separately).

Helping Hands outside school hours care has kindly agreed to provide FREE childcare for all three Triple P seminars. This option is only available to children attending CHSS and their siblings. Children must be 3 years and older and be fully toilet trained. Places are strictly limited to 30 children and are allocated on a 'first come-first served' basis.

To register your child/children please provide the following information via email to Carmen_Spry@yahoo.com.au:

SCHOOL INFORMATION

A reminder to parents/carers to notify the School about your child's health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a 'Request to Administer Medication Form'. Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.
Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

Child Absent From School

Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

Late Arrival to School

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

Picking up during School Hours

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

Picking Up and Dropping Off Students

It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

Turning Circle

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

SPEED LIMITS AND PLAY EQUIPMENT
It is asked that all parents please abide by the 10KPH speed limit when entering and exiting the school grounds. The speed limit signs as well as any parking signs displayed in the grounds must be adhered to for the safety of all students and other individuals.

Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school.

SINGING CLUB

YEAR 2 SINGING CLUB - FIRST PERFORMANCE OF 2016
The Year 2 Singing Club will sing for the first time at assembly on Monday, 13 June. Parents are welcome to come along and watch their child sing.

Hope you enjoy it.

TUCKSHOP

Thank you!
I’d like to thank the parent community who very kindly came to help in the Tuckshop last Friday in my absence. It was lovely to have so many people answer the call to help. I know it was a very busy day with record Pizza numbers and generally Fridays are our busiest day. If you are interested in coming back we can arrange some training for you and you could come in on a regular basis if you are interested. At the moment Friday’s seem to be our day where we could use a few extra hands.

Volunteer of the Week
We would like to warmly welcome back Marianne Allen to the Tuckshop team after taking a break for work commitments. Not only has Marianne come back to lend a hand but she has offered to help out in the absence of our dear friend and much missed Amy Compton. Marianne has been so generous in volunteering her time each week and I’d like to take this opportunity to say thank you Marianne and welcome back, it’s lovely to have you on board!

FlexischoolFridays!
Last year we implemented Flexi Fridays to help manage the large number of orders on that day. Please remember that we would prefer you use Flexischools only on Friday’s. We won’t turn any over the counter orders down but we would appreciate your consideration in this.
