FROM THE PRINCIPAL

**Facilities**
The toilet block refurb continues and soon the builders will be moving to the junior toilets with the refurbished senior toilets being designated for the junior school students. I ask that staff on playground duty ensure that students are not loitering around the fenced off area.

**Independent Public School (IPS) 2017 for Chapel Hill SS**
I am thankful for the positive support from our staff and parents regarding the nomination for IPS. We are now able to submit our nomination for IPS status for 2017. I strongly believe that this will make a significant difference for our School and provide an additional tier of strategic planning through the establishment of a School Council. Last night the P and C showed overwhelming support for the initiative and now we ask that we keep our fingers crossed for a positive decision.

I know that the extra $100 000 will make a considerable difference in supporting the school to deliver student extension and also addressing learning needs.

**Developmentally Appropriate Pedagogy – Walker Learning Model**
I enjoyed the chance to attend a PD session around the Walker Learning Model as a pedagogical approach that marries inquiry based learning with quality explicit instruction. The Prep Teachers that have attended the session are very keen to trial the work and Sarah Hurley has already started to adopt the model into her day-to-day delivery.

**The Secret is Out – Obstacool is coming to Chapel Hill State School**
The School has been working with the P and C to run a fun and challenging obstacle course as part of an end of year celebration. The program is a trial and the School is covering all costs so that the focus is simply about having fun. The event will be running on November 25 and will be adjusted to suit each year level as they come down to the oval for their turn across the course. Rhonda Martin will be providing a run sheet so that families may choose to see their children participating in this
important event and has some additional information in this newsletter.

**FROM THE MUSIC ROOM**

**MUSIC NIGHT**

Congratulations to all the groups who performed at Music Night – it was wonderful to see how far each group has come! Thank you to the parents who were able to come along on the night.

**CHOIR NEWS**

**THANK YOU!**

I would just like to thank all the Junior and Senior Choir members for the lovely gift presented to me on Thursday – it was lovely and I really appreciate it.
My apologies

I must apologise for there not being any rehearsals this week.

I was acting Deputy on Monday and forgot to remind the children on Assembly that there was no Junior Choir. And on Thursday I had a family situation that needed to be taken care of before school and I apologise for any inconvenience I may have caused by not being able to give you advanced notice.

Change in rehearsal day

Due to a clash with Swimming, Junior Choir will now be on MONDAYS at 1:30pm (afternoon tea time). Children are to bring their afternoon tea with them to the Music Room at 1:30pm.

SCHOOL NOTICES

YEARS P - 2 CONCERT

CHRISTMAS CONCERT 2016

Dear P-2 Parents

For 2016, the end-of-year Christmas Concert planned and organized by our teaching staff will be held on **Thursday 01 December 9.30am – 10.30am** and is a celebration of the year teachers have shared with your child. For many children this is a highly anticipated event where they get to dress-
up in Christmas style to perform their well-rehearsed items for an engaged audience of their peers, their parents, their grandparents or close family friends.

For many years, our teaching staff have volunteered their time to this annual event as an evening concert; however, with an increase in enrolments in the junior school we have seen the size of our concerts grow, and with this has come concern from many parents and staff regarding excessive audience noise and movement during performances - often to the extent that performances cannot be heard or enjoyed. Naturally, this has been frustrating for a number of parents and disheartening for teachers and students who have spent many hours in preparation.

Given strong participation in other day-time family events throughout the year, and inspired by the knowledge that day-time concerts have been well supported in other contexts, all staff involved in the planning, preparation and running of this event are keen to trial this new model for 2016. Formal feedback from staff and parents following the trial will be sort via a Survey Monkey, and will be integral to future planning.

For those families who do not wish their child to participate on religious grounds, alternative, engaging activities will be available.

Regards,

Janet Hoek
Deputy Principal: Years P-2

DEBATING TEAMS

**INFORMATION FOR PAYING INVOICES**

During the year, invoices and permission slips will be sent home for various activities. 

**Permission Slips**
All permission slips need to be returned to the box in the Office **by the due date.**

**Invoices**
Payment of all invoices need to be attended to by the due date using one of the following options listed below:

1. In person by cash payment, in an envelope, at the Office between 8:15am - 11:00am.
2. Cheque payable to CHSS at the Office.
3. Credit Card / EFTPOS available at the office between 8:15am- 11:00am
4. Direct Deposit to CHSS account. It is most important that as many details as possible are given starting with - Student Name or Customer ID Number, then Invoice Number or activity.
*Please ensure that the amount deposited is the amount that you have been invoiced*

School Bank details are as follows:-

BSB: 064-152  Account No: 00090226  Account Name: Chapel Hill State School

5. BPoint - to make payment go to website www.bpoint.com.au/payments/dete

Please ensure that the correct information is entered. Information which will need to be entered is as follows:-

- CRN (advised on Invoice. Note: this is not the Customer ID number)- Invoice No (advised on the Invoice)- Students Name (Christian and surname)- Amount

The BPoint facility is available for parents to pay online at your convenience. Please remember that an Invoice reference needs to be used and NOT the student ID. Four Fields must be completed as per the diagram below. There is no requirement to advise the school as we receive automatic notification.

![Diagram showing BPoint payment process]

Please note that if you are paying by cash or cheque the invoice needs to accompany the payment and placed in the box in the Office. Please do NOT cut the invoice/payment slip. If you wish to combine more than one invoice this is quite acceptable. When the payment is processed a receipt attached to the invoice will be sent home with your child.

DEBTOR STATEMENT INFORMATION

Debtor Statements

Debtor Statements provide parents with the following information:-

1. **Overdue Payments.** In future, please ensure payment is made on or before the due date for any excursions or activities unless a payment plan is in place. **No payment may result in your child being unable to attend.**
2. **Credit on your Child’s Account.** Your credit can be held on the account and used at any time. However, you will need to contact the office to arrange this as this does not automatically occur.

3. **Current Invoices.** These are invoices which may have just been issued and payment may not yet be due. *You have until the due date of the original invoice to pay this.* For example - multiple invoices are issued within the same week. The advantage of this is; if you have received more than one invoice, the debtor statement will have combined all of these onto one statement. Therefore, if you wish, only one payment will be required instead of multiple payments (unless you pay by BPOINT. If paying by BPOINT you will still need to enter details for each invoice).

**PLAY EQUIPMENT**

Parents are reminded that students and younger siblings are not permitted to play on any play equipment before or after school unless there is direct adult supervision.

**MEDICAL**

*A reminder to parents/carers to notify the School about your child's health*

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a "Request to
Administer Medication Form”. Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students’ health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

STUDENT ABSENCES

Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

LATE ARRIVAL TO SCHOOL

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

PICKING UP DURING SCHOOL HOURS

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is to be collected from the Office (NOT the Turning Circle or the Classroom).

IMPORTANT PARKING INFORMATION

Parking
In the interest of our children's safety, please refrain from reversing out of the driveway. In the event that reversing is unavoidable, please find an adult to help guide your way.

Parking in Tinbeerwah
If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students
It is asked that all parents please pay special attention when driving into and out of the School. With
the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

**Turning Circle**
A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.
