FROM THE PRINCIPAL

Pupil Free Day
Monday 19 October will be a Pupil Free Day for all Queensland State Schools. This day is an important professional development day for our staff and we will be focussing on current initiative ‘teaching and learning’. Please note that due to the Pupil Free Day there will be no assembly this week. Our Outside of School Hours Care (Helping Hands) will be operating on this day.

Creation of Classes for 2016 – Important Information
During Term 4, we will begin to compile our new Class Lists for 2016. This is a process that school staff take very seriously, with a great deal of care and time to make the best overall decision. As part of this process, parents and carers who have any educationally relevant information they would like to pass on prior to 2016 class lists being compiled should email the school by Friday 30 October. Please do not assume information passed on in previous years remains current in our database, and please do not ask class teachers to pass on this important information. Emails should be forwarded to jhoek1@eq.edu.au.

Repeating a Year Level
A proposal for a child being retained in a year level is the result of ongoing observations and discussions throughout the year between the parent or carer, class teacher and relevant specialist personnel. It is not a decision to be taken lightly, given the potential for negative impact on self-esteem, for students of all ages.

The intention is that with this extra year, the child should show significant academic improvement without negative impact on social relationships and emotional well-being. Students with long-term learning difficulties are not good candidates for retention. Extending time in a year level may be considered when:
- temporary external factors have impacted on the child’s capacity to access the curriculum
- large periods of schooling have been missed due to illness, travel or change of school.
If you are contemplating requesting that your child be considered to repeat a year level, we strongly recommend doing some research into the area. Further information, including the Department of Education’s Parent Fact Sheet, is available from the following link: https://team.oneportal.deta.qld.gov.au/sites/chapelhillss/Document%20Library/AAA%20Key%20Documents%202015/SSS%20Documents/Repeating%20a%20Year%20Level%20-%20Parent%20Factsheet.doc.

If you believe your child needs to be considered, please discuss this with your child’s teacher by Monday 26th October 2015. The Special Needs Committee will then oversee the process in determining whether retention is to be recommended.

Students not Returning in 2016
If you have a son or daughter currently in Years Prep - 5 who will not be returning to Chapel Hill State School in 2016 we ask you to please inform our School Office as soon as possible as our enrolment figures impact on staffing and facilities. Please email Val (vbeve1@eq.edu.au) with details of your child’s departure date and where your child/children will be attending school. If there is some uncertainty about returning then we would still appreciate an email noting the details.

Student Resource Scheme and Voluntary Financial Contribution 2015
Many thanks to all parents who have already forwarded payments for the SRS and VFC for 2015. Each family has received a copy of information about the SRS and VFC. If you did not receive a copy, please visit the Office. If you wish, a payment plan for either scheme can be organised by filling out the details on either the SRS or VFC forms. When payment is made, both forms need to be returned to the box in the office. An invoice and receipt for the SRS will be issued and sent home with your child. Only a receipt will be issued for the VFC and sent home with your child.

2016 Enrolment News at Chapel Hill State School
The demand for 2016 enrolments is already significant and both in-catchment and out of catchment families are required to submit an “Application for Enrolment Form” (copies on our website). We need to manage our student numbers very carefully and it is only through clear data on in-catchment enrolments that we are able to determine the size of our out-of-catchment numbers. Forms can be delivered to the office or sent to the school via admin@chapelhillss.eq.edu.au.

IGNITE

Term 4 Units Commence

Two new units start this week for students in Years 3 to 6:

Great Mathematicians will involve an in-depth look at some of the great mathematical thinkers throughout history. Students will participate in activities related to the amazing work done by these men and women.

Computers and Coding will study the inner workings of computers and the way we communicate with them.

Students in Years 3 and 4 are reminded that they must return their signed permission forms to their class teachers before their classes commence tomorrow.

CHAPLAINS CHAT

Term four is always a busy term from a chaplaincy perspective. Our leadership sessions for Grade 5 students will begin in a few weeks’ time. The Grade 6 Rotary students are finalising their participation in this program. This has been running each week over terms two and three, and Mrs Pleash and I have very much enjoyed supervising these students throughout this program. They have been participating in planned physical recreation, community service and regular sessions to learn a new skill. They have also been attending cultural, arts performances, and have taken part in community meetings. I want to commend them on their excellent attitude, participation and work.

In our household, holidays in particular, are a time when my children tend to ask for greater independence. They are at the stage of wanting to meet friends and catch transport to various locations. As a parent, it is always a hard decision to decide where the line is and how much freedom should be given.

This week I have included an article by Michael Grose about children and independence. He is an advocate of encouraging independence and for granting children autonomy to make choices and mistakes. He suggests that by encouraging children to take responsibility for their own problems and by encouraging them to step out of their comfort zones, their independence will flourish. Please click below to see his article.

Best wishes for a good week.

FROM THE MUSIC ROOM

CHOIR

Choir will be on as usual this week – Wednesday 8am for Juniors and Thursday 8am for Seniors.

Please note that if your child is in both Junior Choir and Band they are to attend the Wednesday Band rehearsals as required in the lead-up to the Brisbane Bands Festival.

INSTRUMENTAL MUSIC SURVEYS

Applications for Strings (Year 3 2016) and Band (Year 4 2016) closed last Friday, and we have had an overwhelming amount of responses!
Please be aware that we are only able to accept a certain amount of students for each of the Beginners programs, and as such, some children may miss out on selection.

Please note the following selection steps:
1. I have been busily putting all the application information together and will be working on assessing students over the next week or so.
2. Once completed, I will have conversations with the class teachers regarding each child and their general commitment (ie reliable, responsible, do they bring homework in on time etc).
3. After this, I will compile a short-list of students for Mr Kennedy (Band) and Mrs O’Donnell (Strings) to assess suitability for instruments.
4. Parents will then be informed whether or not their child has been successful in their application to join the Strings or Band Program.
5. If successful, you will be invited to attend an Instrumental Information Evening to find out what is required of you and your child if you decide to commit to either program. (Date TBC but most likely Thursday 26 November.)

WAKAKIRRI AWARDS DVDS
We will be placing a school order for the DVD of the Awards Night. I will send home a form this week. If you would like to order a DVD please return the form by FRIDAY 23 OCTOBER.

And don’t forget – the National Story of the Year is announced on WakakirriTV tomorrow (Wednesday 14 October)!!

School Information

A reminder to parents/carers to notify the School about your child's health

Please Note: Students who bring any medication (antibiotics etc) to School MUST hand it to School Office in the morning for safekeeping. All medication must also be accompanied by a "Request to Administer Medication Form". Students may collect this medication at the end of the School Day. Many thanks for your cooperation in this matter.

Chapel Hill State School is committed to supporting students' health and wellbeing. We would appreciate parents/carers providing the School with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require School staff to provide support to students, including administering medication and performing health procedures, should be provided to the School. Additionally, any health need that may impact on School activities such as sports, outings (including camps) should also be discussed with the School.

Information should be provided in writing through the Medication Request Form and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact

Bridget Cook
Music Teacher
the School to discuss any specific requirements. Please inform the School Office of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the School Office via telephone (3871 4888).

**Child Absent From School**

Parents are reminded that if their child is away from School, could they please phone the School early in the morning. Parents can ring our ABSENTEE LINE ON 3871 4860 and leave an appropriate message. Please note that if there is no message explaining your child's absence it will be an "unexplained" absence.

**Late Arrival to School**

Students who are late to School need to go to the School Office to confirm their arrival and collect a 'Late Arrival Card' to give to their teacher.

**Picking up during School Hours**

If possible, please send a note to your child's teacher explaining a pick-up time or if not planned before your child departs, please ring the Office. Your child is then to be collected from the Office (NOT the Turning Circle) and MUST BE SIGNED OUT.

**IMPORTANT PARKING INFORMATION**

Parking in Tinbeerwah

If you use the Tinbeerwah entrance PLEASE BE AWARE OF THE NO STANDING ZONE! Please drive carefully and slowly AND BE AWARE OF OTHER CHILDREN. DO NOT STOP in the NO STANDING zones - Cars found to be stopped WILL BE FINED (police could be in attendance). Many thanks for your cooperation.

Picking Up and Dropping Off Students

It is asked that all parents please pay special attention when driving into and out of the School. With the new students at School there may be some students who are unfamiliar with these normal routines.

Please adhere to the parking signs that are displayed in the grounds and on the neighbouring roads (Tinbeerwah, Hakea Crescent, Ironbark Road). Please note the turning circle at the top of the driveway is a pick-up and drop-off zone only.

Please note that there have been instances where cars have parked across the driveways of homes surrounding the Chapel Hill School area (Goolman Street). Please refrain from doing so and be aware that if this continues to occur, the owners of these homes will be notifying the police. Thank you for your cooperation.

**Turning Circle**

A reminder to all parents that the School STOP DROP and GO section in the Turning Circle can be used up until 8:15 a.m. to access the Out of School Care facility. After this time there are two, 2 minute parks at the end of the Turning Circle that may be used. It is important not to park and leave your car in the STOP DROP and GO section after 8:15 a.m. as it restricts traffic flow.

P&C PATCH Chsspandc.org.au

**WANTED: VOLUNTEER P&C WEBMASTER**

The P&C maintains two websites – a general information site (chsspandc.org.au) and a fete website (chssfete.org.au).

The P&C is currently seeking a parent interested in assuming the role of volunteer webmaster in 2016.

Duties include the periodic updating of website content provided by the P&C related to static P&C assets such as the tuckshop and uniform shop, and important fundraising events such as the Spring Fete, Bush Dance, Trivia Night and others.

Maintenance of the chsspandc.org.au site is likely to require no more than one hour per month. Maintenance of the fete website is required only in Terms 2 and 3, when several hours per month is likely to suffice. The month of August (i.e. the four weeks leading up to the fete) is generally busy, with several hours a week required.

The existing P&C websites are constructed in the Joomla content management system, which can be learned via a few hours of YouTube tutorials. Alternatively, the successful applicant is welcome to propose alternatives to Joomla if his/her skills are appropriate. The current webmaster, Colin Mills, will happily provide a handover service.

Are you interested? Please contact Colin Mills at colinjohnmills@gmail.com.
