Session 1

Principal's Welcome

Stewart Jones
Principal

Our Prep Teachers 2021

+ 1

Each member of our Prep Team is passionate about Early Childhood Education. Through their professional studies and experience in the field, they have a deep understanding of young children's learning and development and are dedicated to providing your child with opportunities to flourish – socially, emotionally and academically – in their first year of school.

For the children.....

Every Thursday in November.....

- An introduction to the Prep learning environment, our Prep Teachers and to each other.
- A chance to explore, create and 'play' using a range of Prep resources targeting literacy, numeracy and social development.
- Time to investigate the Prep Playground

For the adults!

Session 1: Welcome - Working Together – Getting Ready

- Principal's welcome to our school community
- P&C Welcome
- Helping Hands

Session 2: Transitioning to school – Part 1

- Making the transition easier for children, parents and teachers
- Dispositions for Learning – what really counts?

Session 3: Transitioning to school – Part 2

- Social Skills & Friendships

Session 4: The Prep Curriculum – What can you expect?

- What concepts will my child learn
- How will they learn

WHAT WE DO

CHAPEL HILL STATE SCHOOL P&C

Your P&C meets on the second Tuesday of every month at 7.30pm. The P&C is a great way to get involved in our school community.

Don't have time to attend? Then keep an eye out for the P&C patch in the school newsletter, the P&C newsletter or updates via our Facebook page.

Tuckshop

Operates Tue, Wed, Thu and Fri, offering a wide variety of meals for first and second break. Orders can be made via flexschools.

Uniform shop

Open on Monday between 8am and 9am. Orders can be made via flexschools and are filled twice a week.

Events

We regularly hold events to help raise funds for the school, including the Fete, parent evenings and end of year concerts.

School banking

We facilitate school banking to encourage our children to save money and to provide basic financial education.

Buildings and grounds

The P&C provide upgrades to playground equipment, supply and maintain air conditioning and general building and grounds support.

Communication

Via the school newsletter (P&C patch), the P&C newsletter, Facebook and class parent reps (emails).

P&C Chapel Hill

WHAT IS THE P&C?

The P&C is a group of parents that get together once a month and look at ways to improve the school, the school environment and facilities for our children.

The school budget from the Department of Education covers for the running of the school.

The P&C organise the 'nice to have' items.

HOW CAN YOU BE INVOLVED!

- Join a Working Bee
- Grab a Couple of Other Parents and Run an Event (eg Mothers Day Stall) – it is more fun with a group of friends.
- Volunteer to help at one of our events
- Just grab a box or a pair of tongs at the next event
- Come to our monthly meetings and see where your skills can help
- Donate when we have fundraising events

P&C Chapel Hill

WHAT DO YOU GET OUT OF IT!

You get to be part of the school community
You get to meet other great parents
You get to contribute to children school
You get to have fun while helping our community
You get to work side by side with the teachers and school community and get to know them on a more personal level.
That also helps you find out extra things going on around the school.

The Main thing I get out of it:

It is wonderful to have your children working next to you at an event or working bee and help their own school and realise that not everything is given to you by the school. We have to give back as well.

OVER THE CHRISTMAS HOLIDAYS!

Over the Christmas Holidays the P&C are starting a project to upgrade the Prep Playground which we have been raising money for.

This will be done in a few stages, but stage 1 is at the end of this year for your kids to start next year.

Welcome on behalf of the P&C to Chapel Hill State School. You will love it here.
