

Dear Parents and Families,

We are delighted to invite you to our **Helping Hands Prep Open Day**, a special event where you can explore our learning environment, meet our team, and discover how we support your child's early development.

During the Open Day, you and your family will have the opportunity to:

- **Tour our licenced spaces** and see where children learn, play, and grow.
- **Meet our educators and staff** and learn about our approach to early education.
- **Take part in fun activities** such as arts and crafts, Storytime, and sensory play.
- **Ask questions** about our program, daily routines, and enrolment process.
- **Enjoy refreshments** while connecting with other families in our community.

We look forward to welcoming you and sharing what makes Helping Hands Chapel Hill such a warm and nurturing place for children.

Kind regards,

Caitlin Crow | Service Manager
Chapel Hill
