FREQUENTLY ASKED QUESTIONS

How many sets of uniforms do I need?

- A good starting point is at least 3 sets. Add more once your child decides which style feels most comfortable.
- Aim for enough sets to suit your normal washing routine - for some families this is 5 sets, for others 2 or 3.
- A second jumper is useful so your child can stay warm if one goes missing.
- Two hats are recommended because CHSS has a 'no hat, no play' policy. Keep the spare in the bottom of the school bag.

Do I need to label uniforms?

- Yes - especially hats and jumpers. Clearly label items with your child's first name and first initial of surname and **current class**. Encourage your child to put removed hats/jumpers inside their bag or classroom tray.

What about cold weather?

- The Uniform Shop stocks zip-up jackets and long-sleeved polo shirts with the CHSS logo.
- Plain navy leggings, navy tracksuit pants and long-sleeved T-shirts may be purchased elsewhere. They must be plain navy with no patterns or logos and worn as permitted under/with the school uniform.

Is there second-hand uniform stock?

- Good-quality second-hand uniform items are \$5 each, subject to donated stock.
- Second-hand items cannot be ordered in advance because of availability changes.
- The Uniform Shop welcomes donations and upcycles unsellable uniforms into accessories and other items for sale.
