ABOUT US

The Chapel Hill State School (CHSS) Uniform Shop is run by the P&C and is located next to the Tuckshop building. All profits from the uniform shop go to the CHSS P&C to help provide the extra facilities and opportunities beyond Queensland Government allocated funds. These include items such as air conditioning maintenance and playground updates. Clare is our part time paid convenor and is supported by a wonderful team of volunteers. Speak with Clare directly during the Orientation Sessions if you are interested in volunteering in the Uniform Shop or email any enquiries to chssuniformshop@gmail.com.

The uniform shop posts important notices and information to the CHSS P&C facebook page and in the CHSS P&C WhatsApp Community. Follow us to keep up to date with all our news. There are also regular updates in the CHSS newsletter.

UNIFORM SHOP OPENING HOURS

We will open the Uniform Shop in the week prior to the start of the School Year which will coincide with the Prep Open Classroom/meetings. This is Friday, 23rd January 2026 and we will be open 9.00am to 2.30pm. You can come in and purchase from our second hand stock, try on new uniforms, purchase and take home the same day. You will also be able to order on Qkr! and collect on this day via our express lane.

General opening hours are Mondays between 8.00am to 9.30am during school term, excluding public holidays. We prefer EFTPOS and credit card payments but we also accept cash. You can also purchase items on Qkr! anytime during the school year. These orders will be packed and delivered to your child's classroom the first school day of the week during school terms. The cut off for this delivery is 4pm on the prior Sunday afternoon.

We are happy to exchange sizes or styles if required provided the garments still have any tags attached and haven't been worn or washed.

HOW TO ORDER UNIFORMS

All orders to be delivered for the final orientation day (Wednesday, 26th November 2025 - in the Hall) must be made through our online store in Qkr!. This is the online application that is also used to place Tuckshop orders and purchase P&C Event tickets.

Use the included chart to help you when your child is trying on uniforms to record the size which fits your child and then order online or purchase in person at the Uniform Shop during opening hours. When creating your child's profile please select NEW STUDENT as your child's class, you will find it at the bottom of the list. Once your child has been allocated to their 2025 class please amend the profile to ensure any orders are delivered to the correct location.

If you order online prior to 4.00pm, Friday 21st November 2025 your order will be packed ready for you to pick up from the hall on the last day of orientation, Wednesday 26th November 2025.

If you are unable to attend on this day you may pick up your uniforms on Monday 1st December and Monday 8th December 2025 between 8.00am and 9.30am. Alternatively the Uniform Shop will be open Friday 23rd January 2026 from 9.00am to 2.30pm. If you are unable to pick up your order on any of these dates please contact the Uniform Shop via email chssuniformshop@gmail.com

FREQUENTLY ASKED QUESTIONS

How Many Sets of Uniforms Do I Need?

A good starting point is at least 3 sets of uniforms and purchase more as your child decides which is the most comfortable for them. A good guide of the eventual quantity of uniforms is enough to have on hand to coordinate into your normal washing routine. For some this means 5 sets, others 2 or 3 sets.

We recommend purchasing a second jumper either new or from our second hand rack so it is readily available if a jumper is missing. This means your child stays warm until they can find their original jumper

Two hats are also recommended as CHSS has a “no hat no play” policy. We recommend that the second hat be placed in the bottom of your child’s bag so that if a hat is forgotten at home or lost they still have a hat to be able to play while finding the original hat. Again both hats can be purchased new or you can take advantage of any second hand hats we have for sale.

Do I Need to Label My Child's Uniforms?

YES, especially any items they will remove such as hats and jumpers. Please label all uniforms with your child’s name (both first and last name or first initial and last name as well as their current class clearly. This allows any item lost to be easily found by your child or returned to your child.

Also chat with your child about placing their hat/jumper back inside their bag (not on top), or in their classroom tray if they remove it. This prevents your child’s hat/jumper being inadvertently used and taken home by another child.

What About Clothing for Cold Weather?

The Uniform Shop has fleecy zip up jackets and long sleeve polo shirts with the CHSS logo. Other than these items it is acceptable to purchase plain navy leggings, navy tracksuit pants and long sleeve t-shirts from a store of your choice. These items must be worn under the formal or sports uniform with the only exception being long navy pants made from woven fabric or tracksuit pants which can be worn in place of the uniform shorts or skort. These items are to be plain navy with no patterns or logos.

Is There a Second Hand Uniform Market?

The Uniform Shop has a rack of good quality second hand uniform items for sale at \$5 per item. We can not take orders for these items as the stock is dependent on donations. You may also be able to purchase some second hand items from parents via the CHSS Parents Facebook page.

We encourage you to try the Uniform Shop Second Hand rack first as all money raised by the P&C Uniform Shop is used to improve the School’s facilities for our children that are not funded by the Government. This includes playgrounds, air conditioning and covered walkways etc.

The Uniform Shop accepts donations of uniforms you no longer need for our second hand rack. We also upcycle any unsellable uniforms into hair accessories and various other items which are also for sale in the Uniform Shop.
