Principal's foreword

Introduction

The 2014 school year was another successful and rewarding year for our Chapel Hill State School students, parents and staff. We are extremely proud of our students' achievements in all facets of schooling which is a credit to the high standard of teaching and the wonderful support provided by parents and local school community.

This report provides parents and members of the wider community with a range of information that is common for all State and Non-State Schools throughout Queensland. It provides an overview of the many quality school and extracurricular programmes available to our students during the 2014 school year. It also illustrates student achievements during this period with a focus on future development and improvements in the 2015 school year.

At Chapel Hill State School we are united in our efforts to meet the needs of all of our student population by continuing to improve the quality of educational experiences and opportunities. Chapel Hill State School prides itself on being an important centre of the local community and a welcoming, supportive and effective learning place for all students.

We routinely promote our school values of *Respect Self, Others and Environment* through our activities and interactions with students, parents and staff as we strive to uphold our school motto, STRIVING FOR EXCELLENCE.

School progress towards its goals in 2014

our 2014 key school priorities were:
Implement the Australian Curriculum with a particular emphasis on Reading and Writing
Implement whole school pedagogical practices
Use data to inform teaching practice
Develop instructional leadership with a focus on workforce performance
Develop productive partnerships with students, staff, parents, and the community
Plan to transition Year 7 to high school

We successfully continued implementing the Australian Curriculum using the state developed C2C resources. Year Level Teaching Teams worked closely with our Head of Curriculum and School Leadership Team throughout the year to continue the implementation of English, Mathematics and Science with the introduction of History as a new curriculum area to the primary sector. Parent awareness was raised through newsletter updates and Curriculum Overviews posted on the school website.

During the 2014 school year we collaborately developed and commenced implementing a formal School Pedagogical Framework that guides classroom teaching and learning practices across the school.

Our main Teaching and Learning priorities for 2014 were Reading and Writing. We continued our focus on the teaching of Reading that have generated ongoing improvement in our student data. We are no developing these strategies to bring about a crafted program that transfers Reading strategies that support quality Writing (Reading to Learn) is a key component stemming from our 2014 focus.

Further development of common assessment practices and the use of student data supported our commitment to the careful tracking of student progress, the identification of student learning needs and the provision of individualized and targeted group instruction. Parent involvement and awareness of student progress was enhanced through the introduction of interim 'progress updates' at the end of Terms 1 & 3 and the introduction of individual student learning goals.

2014 saw the introduction of our Student Enrolment Management Plans a strategy to manage the increased enrolments over the past four years. The in-take of new students has a priority for those families in-catchment with a waiting list for those that are beyond our enrolment boundaries.

We formed a local school working party to determine clear guidelines for the final school year for our Year 6 and Year 7 students. We also held meetings with our local feeder high school to plan the transition programme for many of our students.

Future outlook

Our 2015 School Priorities are:

Continue implementing the Australian Curriculum
Imbedding our School Pedagogical Framework in daily classroom practices
Use routine teaching feedback to refine teaching practices
Using student performance data to track and support individual student progress
Maintain high expectations for all staff and students
Develop instructional leadership and workforce performance
Develop productive partnerships with students, staff and parents
Implement a range of facilities improvement projects toensure a safe and functional work

These priorities have been collaboratively developed to align and build on the great outcomes achieved over previous years as well as with a view to the future.

Our school at a glance

School Profile

Coeducational or single sex: Coeducational
Year levels offered in 2015: Prep Year - Year 6

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2012	609	281	328	98%
2013	653	325	328	98%
2014	705	354	351	97%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

The majority of our students come from middle to high socio-economic backgrounds with many parents being well educated and professionally employed. Chapel Hill State School parents clearly understand and value the importance of their children receiving an excellent education. This message is also supported by teachers who provide not only a quality classroom curriculum but also involve children in a range of extra-curricular experiences for students that enhance and extend their educational opportunities. Two of our students in 2014 were identified as Aboriginal or Torres Strait Islander with approximately 10% of students identified English as a second language.

Average class sizes

	Average Class Size		
Phase	2012	2013	2014
Prep – Year 3	24	23	25
Year 4 – Year 7 Primary	24	25	25
Year 7 Secondary – Year 10			
Year 11 – Year 12			

School Disciplinary Absences

	Count of Incidents		
Disciplinary Absences	2012	2013	2014*
Short Suspensions - 1 to 5 days	6	0	0
Long Suspensions - 6 to 20 days	0	0	0
Exclusions#	0	0	0
Cancellations of Enrolment	0	0	0

[#] Exclusion is an abbreviated title which reflects suspensions with recommendations for exclusion, which may result in an exclusion or be set aside through an appeals process.

^{*} Caution should be used when comparing 2014 data with previous years SDA data as amendments to the disciplinary provisions in the Education (General Provisions) Act 2006, passed in late 2013, created a time series break.

Curriculum offerings

Our distinctive curriculum offerings

German (Language Other Than English) - Years 4 to 6

Spanish and Chinese - Year 4

Music and Health & Physical Education - Prep to Year 6

IGNITE (extra curricula programs designed to spark student academic passions) Years 3 to 6

Special Education Support Programs - Prep to Year 6

Extra

Extra curricula activities

Extensive Instrumental Music Programme - Strings (Years 3 to 6), Brass, Woodwind and Percussion (Year 5 to 6)

Camping programs (Year 5 to 6)

Sporting Programs - Interschool Sport, Cross Country, Athletics, Swimming

Chess Club

Student Leadership Programme

National Competitions in English, Science, Mathematics and Computer Studies

Choirs (Year 2/3, Junior and Senior)

How Information and Communication Technologies are used to assist learning

A significant portion of the school budget was directed to IT resources in 2013 which has allowed the school to increase ICT learning programmes into classrooms throughout 2014.

All students are enrolled in Mathletics and Literacy Planet to allow teachers to provide individual support programmes for numeracy and literacy support and extension opportunities.

The Year 6 students have a laptop programme that allows them to be able to work on our newly upgraded wireless facilities. All classrooms have flat screen monitors with new networked desktops.

Teachers are developing virtual classrooms to assist in supporting student learning outcomes.

The Prep classes are using iPads within the classroom and are using multiple apps that are designed to support the targeted learning programmes.

Social Climate

Chapel Hill State School has the motto of "Striving for Excellence" and this is further supported by a school wide positive behaviour programme that focuses on the idea of RESPECT (*Respect Self, Others and Environment*).

This positive emphasis has been easy to maintain with students enjoying a friendly and supportive school climate that generates a positive learning environment. There are many initiatives in place to support and nurture a positive school climate at Chapel Hill State School. These include classroom awards and merits, school awards presented on assemblies, leadership roles, buddy system, newsletter acknowledgements, Prep Friends, as well as our school behaviour management plan.

The School Opinion Survey results also clearly demonstrate high levels of parent and student satisfaction in regard to the school's positive social climate. The school chaplain plays an active role in the support of the social climate with many of the activities such as school leadership events and other activities including school dances and other lunch time fun activities such as "Chill-Out" Club.

The school prides itself on developing very positive parent/school partnerships to ensure everyone feels welcome and supported at Chapel Hill State School.

Parent, student and staff satisfaction with the school

^{*} Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

DW = Data withheld to ensure confidentiality.

Involving parents in their child's education

Parents are encouraged to be actively involved in many facets of school life. Many parents assist with classroom activities, tuckshop, library support, homework, excursions and sporting teams.

The school community has high expectations of the school and forms a very supportive parent group. The school has a very active and accountable Parents' and Citizens' Association which provide significant funds and actively participate and support projects throughout the school.

The school has developed a Transitional Programme for students starting Prep in the following year. This is a three day programme that allows future students to meet their Prep teachers and engage with other students prior to the start of their formal education. The programme creates a sense of joy and excitement around the start of the child's schooling journey. During this Transition Programme, parents are given a chance to mix with other new parents and are also provided with an overview of the Prep programme.

The school also runs literacy support information days for parents to ensure that families are aware of the strategies being used in the classroom and can therefore ensure that support from the home aligns with the support within the classroom. The volunteer programmes at Chapel Hill are extensive and parent support is provided in each class through teacher consultation.

Formal Parent/Teacher interviews are available twice a year (end of Term 1 and 3) and informal interviews are welcomed on a regular basis. Feedback on student progress is delivered regularly and the end of semester reports provide an extensive account of learning that can help identify areas of improvement as well as those that may require further support.

Reducing the school's environmental footprint

	Environmental footpri	Environmental footprint indicators		
Years	Electricity kWh	Water kL		
2011-2012	213,411	1,127		
2012-2013	218,915	1,649		
2013-2014	217,034	1,593		

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

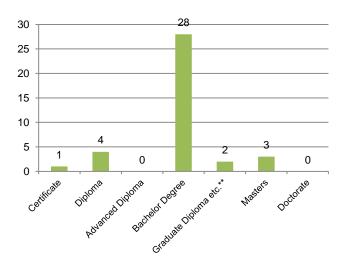

^{# &#}x27;Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

Our staff profile

Staff composition, including Indigenous staff

2014 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	43	24	<5
Full-time equivalents	39	15	<5

Highest level of attainment	Number of Teaching Staff *
Certificate	1
Diploma	4
Advanced Diploma	0
Bachelor Degree	28
Graduate Diploma etc.**	2
Masters	3
Doctorate	0
Total	38

^{*}Teaching staff includes School Leaders

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2014 were \$11010.40

The major professional development initiatives are as follows:

- Reading to Learn P.D. Program
- Data Analysis
- Explicit Direct Instruction P.D.
- Teacher Feedback Action Learning Cycle
- Behaviour Profiling and Essential Skills of Classroom Management.

The proportion of the teaching staff involved in professional development activities during 2014 was 100%.

Average staff attendance	2012	2013	2014
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

Proportion of staff retained from the previous school year

From the end of the previous school year, 100% of staff was retained by the school for the entire 2014 school year.

^{**}Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Student attendance distribution

The proportions of students by attendance range.

*The method for calculating attendance changed in 2013 – care should be taken when comparing data after 2012 to that of previous years.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Chapel Hill State School complies with system policies by ensuring teachers complete electronic roll marking daily with school office personnel checking all rolls regularly. Any extended or unexplained absences (3 days) result in a call to parents/carers from the teacher or the school office.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at http://www.myschool.edu.au/.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Achievement - Closing the Gap

The school is very supportive of the Closing the Gap initiative of improving indigenous education. Although our school has a very small indigenous student population we access regional educational programmes and develop local support programmes when required to maximise student outcomes.
